2.3. If a Complainant wants to make a report to Police, the University will provide support and/or assistance in this process.

2.4. Any person can make a Complaint of Sexual Misconduct to the University on the UC Safe Community webpage on the University website: <https://www.canberra.edu.au/safe-community/report-an-incident>.

2.5. All Complaints to the UC Safe Community webpage will be responded to within 24 business hours by specialist University staff and will be treated with confidentiality, dignity and respect.

2.6. Complainants will be kept regularly informed on the progression of their Complaint of Sexual Misconduct.

2.7. Complaints of Sexual Misconduct to the UC Safe Community webpage can be made anonymously. However, an anonymous Complaint will limit the capacity of the University to investigate the incident and, where it is appropriate to involve police, it may impact their capacity to investigate the incident.

2.8. A Complaint of Sexual Misconduct can be made on behalf of another person. Where possible a Complaint should be made with the consent or knowledge of the other person who has been impacted by the incident of Sexual Misconduct.

2.9. Complainants can make one of the following Complaints of Sexual Misconduct:

- a. a Report which is a formal account or statement about Sexual Misconduct to the University by a person who is seeking the University to undertake an investigation and take disciplinary action if necessary; or
- b. a Disclosure in circumstances where a person is seeking support from the University but does not want the matter investigated or any other action taken.

2.11. Complainants who have filed an anonymous Report may later request that the University provide support. In such instances, the University commits to respond to the request and to provide support and assistance to the Complainant during this process.

2.12. Complainants who have made a Disclosure with the sole purpose of accessing support services may later request that the University investigate and/or take action. In such instances, the University commits to respond to the request and to provide appropriate support and assistance to the Complainant during this process.

2.22. The University will temporarily suspend an investigation until the completion of any related police investigation or criminal prosecution. A temporary suspension does not prevent the University from implementing any of the interim measures in paragraph 9 of the Policy. The University will continue to provide support to the Complainant (including regular updates) and may seek advice on a case by case basis regarding appropriate measures to implement or actions to take in circumstances where a police investigation or any criminal proceeding remains ongoing.
