**A Guide to Row**

**Welcome** to the University of Canberra and to Semester One 2013 Registration Orientation Week. ROW is designed to help you get settled in and ready for study. There is a lot of information to take in and heaps of things to do during the week. This guide will help you plan which events and activities you should attend to ensure you get the most out of what is on offer.

**What’s on during Registration Orientation Week?**
These are just some of the events and activities on during ROW. For times and locations please see the daily schedules located on pages 10 - 19 of this guide.

**Course Advice Sessions**
Your Course Advice Session is a great place to start your week. In this session you will meet faculty staff, find out vital information about your course as well as meet other students studying in your degree. The time and location of your course advice session is online. Check www.canberra.edu.au/orientation for updates.

**Enrolling**
Once you have all the information you need about your course it is a good idea to get some enrolment assistance and find out about the process at Student Central, Building 1, Level B during ROW. This includes getting a student card, a student email account and constructing your timetable. There will be lots of people to help you complete your enrolment and assist with other enquiries you might have.

**Smart Study Sessions**
ROW is all about getting you prepared for University. During ROW there are dedicated sessions to get you up to date with what is expected at university and specifically the University of Canberra. There are face to face modules covering a range of skills and knowledge including study and assignment tips, library familiarisation, using online tools and much more. Each module is run many times throughout ROW and Weeks 1 and 2 of Semester One. See the Smart Study Sessions on the ROW website for details.

**Campus Tours**
A big part of beginning University is being able to find your way around campus. Tours will be leaving from the Student Ambassador Information Stall located on the Concourse. Tours commence on the hour between 10:00am - 3:00pm Tuesday to Thursday, and between 10:00am - 2:00pm on Friday.

**Entertainment, Free Food and Fun**
ROW is not only about your academic future at University, but is also a chance for you to meet new friends and have some fun. Come along and join us for free UC Life! Activities including a Welcome Brunch, trivia night, Market Day, the Commencement Ceremony BBQ and UC Live! Tunes on the Green. You’ll see Market Day come alive on the concourse with market stalls and great free live music so come along and join a UC club or grab some free stuff.

**Need Help - Ask a Student Ambassador**
With so much to take in, you are going to need a little help. If you have any questions, can’t find your way around campus, or just want to have a chat, head to the Student Ambassador Information Stall located on the Concourse. All Student Ambassadors are current students and are there to help you in whatever way they can.

**Finding University of Canberra Rooms**
Most University of Canberra room locations are abbreviated in the same way. The first number denotes the building, followed by the level that the room is located on and finally the room number. For example, room 2B8 is Building 2, Level B, Room 7. If you do get lost, remember the Student Ambassadors are always there to help!

The Smart Study Passport program provides an extended orientation to the University. The six modules are offered at multiple times in Registration Orientation Week and Weeks 1 & 2 of Semester One. The schedule is arranged so that you can complete all modules in one day or over an number of days. We suggest you aim to complete all sessions during Registration Orientation Week, so that you can focus on your classes when they begin. For more information go to www.canberra.edu.au/lasnet/smart-study-passport.
