

# Attachment 1: Assessment of Secondary Teaching Area for Admission to Graduate Diploma in Secondary Teaching 855AA

To be read in conjunction with the NSW Institute of Teachers 'Subject Content Requirements for Secondary Teaching' <http://www.nswteachers.nsw.edu.au/Subject-content-requirements-abridged.html>

Instructions;

1. Open the document 'Subject Content Requirements for Secondary Teaching' which is found at <http://www.nswteachers.nsw.edu.au/Subject-content-requirements-abridged.html>
2. Use section II of this form to determine which Secondary Teaching subject your initial degree qualifies you to teach as a major. List this under Major in Section I.
  - a. You must qualify for a Major to be eligible for entry to this course
  - b. Should you be a unit short you may propose studying additional units (1 per semester only) to meet the requirements. This needs to be approved by the course convenor. Please note that a normal course is a full load and extra units will increase your workload, fees and may require work during your practicum.
3. You are advised to also consider any Minors you may be eligible to teach. Having a second teaching subject is strongly recommended.
4. Submit at least section I of this document with your application for admission.

## Section I

<b>Applicant name</b>		
Major		Minor
Additional units proposed (to be approved by course convenor);		

## Section II: Relevant units from undergraduate and appropriate postgraduate studies

Teaching Subject	Unit	Award / Institution	Comment
