AUSTRALIA'S CAPITAL UNIVERSITY

TAX FREE RESEARCH SCHOLARSHIPS AVAILABLE NOW AT THE UNIVERSITY OF CANBERRA

There has never been a better time to undertake a PhD at the University of Canberra. Applications for Mid-year 2009 research scholarships are now open.

Scholarships will be considered in all disciplines including the priority research areas of Biomolecular Science, Ecology and Economic Modelling.

Applications will be assessed on academic merit and research potential. Successful applicants will receive over \$20,000 tax free, per annum for three years.

The Scholarships are available to Australian citizens, Australian permanent residents and New Zealand citizens. For a full list of faculties and information on how to apply, visit:
