Canberra is a unique place. It is the capital of Australia and as you’d expect from a city whose inhabitants run one of the world’s top 20 economies, it’s vibrant and cosmopolitan.

According to the latest OECD Regional Well-Being Report, Canberra is the best place to live in the world*. Residents are among the healthiest, wealthiest and most highly educated people in Australia. They live longer, report lower levels of stress, but still manage to earn significantly more than those in other Australian cities.

Canberra’s ethnic diversity is reflected in its dining, music and theatre. It is a young and lively city that has an exciting nightlife and plenty of interesting cafés, bars and clubs. Locals call Canberra ‘the 20 minute city’ because nothing is very far away.

It’s a friendly, safe place with a growing population of 400,000 but with all the amenities of a much larger city. It is home to excellent entertainment and sporting venues, fresh food markets, wineries and some of the country’s most important cultural institutions, including the National Museum, the National Gallery of Australia and the Australian War Memorial.

The countryside surrounding Canberra features impressive mountains and rugged bushland, which is ideal for outdoor activities such as bushwalking, horse riding, hot-air ballooning and camping. Sailing and canoeing are popular on Lake Burley Griffin, while the ski fields of the Kosciuszko National Park and the beaches of the beautiful South Coast are just a few hours away.

What’s more, Sydney, with its iconic Bridge, Opera House and harbour, is three hours away by bus or car and only 45 minutes by air.

Canberra has been ranked as the world’s most liveable city†

Canberra ranked #1 in Australia for education, jobs, income, safety, health and accessibility to services*

Canberra is only a couple of hours drive to Sydney, the beach and the snowfields

Canberra has more hours of sunshine per day than Melbourne, Sydney and Adelaide

Canberra has the lowest commuting times of all Australia’s major cities

Canberra residents have the highest average weekly income in Australia†

Canberra is a multicultural hub with around one quarter of the population born overseas*

People from the ACT live longer than other Australians*

Canberra is a youthful city with an average age of 34*

Canberra has the lowest national crime rate

CAMPUS LIFE
AUSTRALIAN STYLE

When you ask most people, they say that their university years were the best years of their life. And here at the University of Canberra, we think that’s exactly the way it should be.

Set in a native haven of clean air, tall trees and huge expanses of lawn, you’ll enjoy the company of Australian wildlife including parrots, cockatoos and even resident kangaroos. Despite its peaceful setting, the campus is an exciting and inspiring place to be.

While study will always remain your priority, there are plenty of opportunities to socialise with your fellow students. There are concerts including our famous music festival Groovin’ the Moo, market days, dinners and different sorts of theatre from all over the world. There are also a number of clubs and societies you’re welcome to join. These range from social to cultural and are a great way to meet others who share your interests.

If you like to keep fit there’s a sports and fitness centre that includes a gymnasium as well as squash, basketball, volleyball and tennis courts, plus ovals for all football codes. Our interest in sport doesn’t stop there either. As well as enjoying a close relationship with the Australian Institute of Sport (AIS), we’re education partners with the Brumbies rugby team, the University of Canberra Capitals basketball team and the Canberra United women’s soccer team. When it comes time to unwind and relax with friends, you won’t have to travel far at all. There are bars, coffee shops and restaurants, all right here on campus. When you study at the University of Canberra you’ll find campus life exciting, entertaining and full of fun.
The University of Canberra’s Study Abroad and Exchange Program can be your passport to a new world of experiences, impressions and learning. It’s something you will remember all your life and an opportunity to develop a broader international perspective which can enhance your qualifications. UC’s Study Abroad and Exchange Program caters for university students of all interests and backgrounds.

**OUR STUDY ABROAD AND EXCHANGE PROGRAM OFFERS:**

- Two semesters per year. These commence each February and August
- A choice of more than 3000 subjects in a diverse range of disciplines
- A low student-to-lecturer ratio, meaning smaller on-campus class sizes with more personal attention from lecturers and tutors
- A safe, friendly, multicultural environment with a relatively low cost of living
- Lecturers who are recognised throughout Australia for their excellence in teaching
- A wide range of services tailored to support international students
- Fantastic social activities for students from Surf Camp and Aussie BBQs to scavenger hunts and a variety of cultural excursions and celebrations
- A Facebook group, Buddy Program and Student Ambassador Program to ensure you meet the local students and help you integrate into your new Aussie life
- The opportunity to see Australia, from the blue green tropical paradise of the Great Barrier Reef to the endless red plains of the Australian outback, without interrupting your studies or career path
- Full support from the UC Study Abroad Office for pre-arrival assistance, enrolment, orientation, activities and trips and general advising
- Guaranteed on-campus housing and a free airport, train or bus pick up service from Canberra on arrival
IT’S ALL ABOUT YOU
If you think you’ll get lost in the crowd at the University of Canberra, think again. We are a medium sized university with a great sense of community and a welcoming atmosphere. It is a safe environment where everyone settles in quickly and makes friends easily. We’ll do everything we can to see that your time here is interesting, relevant and very enjoyable.

WHAT IS THE DIFFERENCE BETWEEN STUDY ABROAD AND EXCHANGE?
In both programs students come to the University of Canberra for a minimum of one semester and a maximum of one academic year.

Students study full time to achieve credit which is applied to their home university degree.

Study Abroad Students pay their tuition fees directly to the University of Canberra.

Exchange Students pay their tuition fees to their home university.
STUDY REQUIREMENTS

Study Abroad and Exchange students are required to study full time at UC. You are expected to enrol in the standard full time load of 12 credit points (normally four classes) unless you have special permission from your home university to enrol in our minimum full time load of 9 credit points. Most units (classes/subjects/modules) at UC are valued at 3 credit points, requiring an average of 150 hours of individual study and class time during the semester. The amount of time you will need to spend studying for each unit will depend on a number of factors including your prior knowledge, learning skill level and learning style. Study Abroad and Exchange students can study across all our faculty areas and take any units offered in the appropriate semester, providing all eligibility requirements are met. At UC, your timetable will be composed of lectures and tutorials. For each subject you study, you will be scheduled to attend one or two lectures, plus a tutorial or practical class. A lecture is usually a more formal class held in a lecture theatre and often contains a large number of students. A tutorial is a smaller, less formal group where you are expected to participate and discuss ideas and theories arising from your lecture. The tutorials allow you to receive more personal attention from your tutor, who is available to discuss your academic work and provide assistance throughout the semester.

University of Canberra assessment is based primarily on the completion of assignments and essays which can vary from 1,000 to 4,000 words. There are usually three to four assessments and a final examination (or long essay) per class each semester. There is a great deal of individual study involved. Most units do not have a weekly class test or graded homework. To gain credit transfer towards your degree, your home university needs to approve our University of Canberra subject selection. It is advisable to discuss your study plans and gain approval before you commence your study at UC.

STUDENT SUPPORT AT UC

While studying at the University of Canberra you can access a wide range of student services that will support your academic, social and personal needs. UC has been recognised by the Australian Government for providing outstanding services to international students. All resources you need to support your study program are available.

UC STUDY ABROAD

The Study Abroad and Exchange Buddy Program will pair you with a local student to help you find your way around and adapt to the Aussie culture.

STUDY SKILLS

Through drop-in study sessions in the Library students can get help from Study Skills staff with assignment writing, finding information and research skills, referencing, avoiding plagiarism, time management and exam preparation. Study Skills also runs orientation sessions, study skills and EndNote workshops and a four-day Intensive English program. All UC students also have access to the Study Help moodle site which offers a range of interactive online modules and resources to develop students’ study skills.

WHERE WILL I LIVE?
The University of Canberra offers campus accommodation for more than 2400 people from Australian and around the world. You can choose from University of Canberra Village, Weeden Lodge, Cooper Lodge and UC Lodge. Wherever you end up, you’re sure to find a safe, comfortable and friendly place to live. It’s important to note that there is a high demand for on-campus accommodation, so applying early gives you a better chance of getting the place you want.

SAFE AND SECURE
Security staff can be contacted 24 hours a day and the accommodation facilities are regularly monitored, which means you’ll live in a very safe environment.

ADVICE AND ACTIVITIES
All the accommodation facilities have active resident support programs that offer social, emotional and academic support.

OFF-CAMPUS ACCOMMODATION
The University of Canberra accommodation website contains information about off-campus accommodation options including family homes, apartments and share-house accommodation.

Family homes and apartments cost from $380 to $450 a week depending on the size and number of bedrooms. Share-house cost is approximately $170 to $200 a week. A Homestay Program is also available for international students who would like to stay with an Australian family. Prices start at $190 a week.

INTERNATIONAL STUDENT ACCOMMODATION GUARANTEE
That’s right, we’ve all heard stories about how difficult student accommodation can be to find, well not at UC! The University of Canberra accommodation providers at Bruce campus will offer guaranteed accommodation for international students in 2017–2018. International students can apply for this at any time during their study and the guaranteed accommodation is for the duration of their degree. Yes, we guarantee it!

ON-CAMPUS ACCOMMODATION

UNIVERSITY OF CANBERRA VILLAGE
The University of Canberra Village is a 1334-bed facility located on the University campus. It is self-catered and offers a variety of living options, including 12-bedroom share residences, one, two and five-bedroom apartments and options for postgraduate and mature-age students.

WEEDEN LODGE
Weeden Lodge is a 480-bed facility located between the University and the Belconnen town centre and close to shops, restaurants and the Belconnen bus interchange. It is self-catered and you can choose from studio, share and multi-bed-apartment living. To make it more affordable, Weeden Lodge is supported by the National Rental Affordability Scheme (NRAS) with financial assistance from the Commonwealth and ACT governments.

COOPER LODGE
Cooper Lodge is the University’s newest 416-bed accommodation facility. It is located right in the heart of the University campus next to the University of Canberra College. It is self-catered and you can choose from studio and multi-bed apartment living. To make it as affordable as possible, Cooper Lodge is supported by the National Rental Affordability Scheme (NRAS) with financial assistance from the Commonwealth and ACT governments.
unilodge.com.au/lodge/cooper-lodge
TRIPS
The UC Study Abroad Office designs unique trips and activities specifically tailored to help you make the most of your limited time and money in Australia. Each semester starts with the excitement of O-week and our Orientation Trip, a weekend to Sydney and either the Blue Mountains or Manly Beach depending on the season. Our office also works with Surf Camp Australia to provide students with the opportunity to try surfing over an action packed weekend at Seven Mile Beach. A third trip later on in the semester will take you to either the Blue Mountains for a weekend of Australian wildlife and hiking or to the South coast to soak up the sun and practice your new surf skills. The newest trip is a full week exploring tropical north Queensland and the Great Barrier Reef during the mid-semester break.

SOCIAL ACTIVITIES
The UC Study Abroad Office also runs an Ambassador Program (for Australian students returning from exchange) and Buddy Program to assist in organising activities in accordance with student interest. In the first couple of weeks, the office hosts a Buddy BBQ to pair international students with domestic student buddies to assist in adjusting to life at UC and Australia in general. Through the Ambassador Program, Australian students organise special events such as an international dessert night, camping trips and organised outings to Canberra’s numerous cultural festivals or local hikes on one of Canberra’s numerous trails. The possibilities are endless and our office works to ensure that no one will return home disappointed. The university also has great sporting facilities, including a fully equipped gymnasium and playing fields. There are many clubs and societies, all keen to welcome new members.

Here are just some of them:
• Netball
• Gridiron
• Advertising and Marketing Society
• Graphic Design Club
• Fellowship of Christian University Students (FOCUS)
• Japan Club
SPORTS

Sport is an important part of ‘Aussie life’ and a huge part of life at UC. The University of Canberra Capitals women’s basketball team is currently Australia’s most successful women’s sporting team and the most successful sporting team in Canberra. Not only is campus only a stone’s throw away from Canberra’s biggest football stadium, but UC is home to Canberra’s Rugby Union team, the Brumbies. A brand new sporting hub on campus serves as a research and training facility for the Brumbies and UC students. UC is also walking distance from the Australian Institute of Sport, a premium national facility and the training ground for Australian Olympic athletes. If you are interested in sport studies, UC also offers the Australian Sporting Industry Short Course, giving students an amazing opportunity to travel and experience Australia while studying Australian sport!

For more details on the short course, visit canberra.edu.au/future-students/courses/short-courses/australian-sporting-industry-short-courses

CAMPUS LIFE

When not in class, you can laze on the lawns and spot kangaroos, eat and drink at one of the cafés or bars, use the computer labs, or study in the library. UC also hosts many different music festivals and concerts, as well as other events on campus with weekly Market Day stalls on Wednesdays. ‘The Hub’ is the commercial centre of campus where you can eat, drink, have your hair cut, do your banking, mail things home, buy books and lots more. Campus is also a short walk from the Westfield Belconnen mall, housing a variety of amenities, shops and restaurants.
EXPAND YOUR HORIZONS

STUDY IN THE HEART OF ONE OF THE WORLD’S GREAT TOURIST DESTINATIONS

While studying at the University of Canberra you have the chance to explore and experience Australia. From this central location you can travel anywhere in the country relatively cheaply and quickly. It’s easy to visit the Australian Alps (by bus or car) for summer hiking or winter snow skiing, tour the South Coast for swimming, surfing, scuba diving and fishing, or just stroll along miles of deserted white beaches. Hike through millions of acres of unspoiled bushland, or investigate the charming country towns in the area. You might prefer to spend your weekends absorbing the big-city energy of Sydney, a cheap and easy three hour bus ride away. In longer semester breaks you could choose to explore the Australian Outback, the Great Barrier Reef, western or northern Australia. There’ll be numerous opportunities for socialising with fellow students from Australia and other countries; you’ll find your new ‘Aussie mates’ are keen to help you enjoy your visit. Planned social activities for study abroad and exchange students are held each semester.

With your new found friends, you might even venture to the South Pacific region while on exchange at UC. The most popular destinations among past students include New Zealand, Fiji and parts of Asia. You could plan a stop on your way to Australia, during your mid-semester break or on your way back home, and the UC Study Abroad and Exchange Facebook group provides the opportunity to make travel arrangements with students before you even arrive!

So whether you’ve climbed the Sydney Harbour Bridge, seen the sun set over Uluru, watched whales at Byron Bay, visited the mighty Wandjina in the Kimberley, big-game fished in Cairns or Broome, caught a concert at The Opera House or just soaked up the sun on any one of a thousand beaches, you’re sure to take home some amazing memories. For more ideas, please visit australia.com
The study abroad team at UC has been welcoming and beneficial in making my school experiences, traveling experiences, and community experiences easy and enjoyable in Australia! I’ve had a truly amazing time studying abroad at the University of Canberra!

### ELIGIBILITY

To be eligible to study abroad or exchange to UC you must;

- Be enrolled as a full time student at a university in your home country.
- Have successfully completed at least your first year of study, but not yet completed your degree.
- Meet the University of Canberra’s English language requirements. The University offers an English language program to help you improve your English if needed. Please see canberra.edu.au/future-students/internationalstudents/study-abroad/eligibility for more information.
- Have a satisfactory GPA: a 4.5 on a 7-point scale, or a 2.5 on a 4 point scale.

### COST OF LIVING

You will find that the cost of living in Canberra is affordable and cheaper than larger Australian cities, plus you’ll be living in a safe, pollution free environment. In the green table below, the UC Study Abroad Office estimates typical student living costs, but please note that these are not exact costs and that costs will vary based on your lifestyle. In addition to your living expenses, you should also factor in your flight to and from Australia, tuition costs and any desired travel. Keep in mind that the currency exchange rate can fluctuate and affect your financial planning. Different tuition fees and methods of payment apply depending on whether you are a Study Abroad or an Exchange student. See the green table above for more information. Unless you are a citizen of Sweden, Belgium or Norway, you will have to pay the compulsory Overseas Health Cover (OSHC) fee when you accept your UC offer in order to get your visa.

### FEES

Tuition fees for Study Abroad Students are paid to the University of Canberra. The 2018 fee is $9,100 AUD per semester for a full time study load of 12 credit points. Tuition fees for Exchange Students are paid to your home institution.

FREQUENTLY ASKED QUESTIONS

Q. Can I get credit for my semester at the University of Canberra?
A. Yes, as long as you stay enrolled in classes approved for credit by your home university.

Q. Does the program extend my degree by a semester or a year?
A. The program should not extend your degree, however, it can if you do not stay within an approved study program or you fail some classes.

Q. How early should I start planning for my studies in Australia?
A. To prepare a strong application, you should give yourself at least 3 months to research your program ahead of the application deadline.

Q. I’m a first year student. Am I eligible for the program?
A. You must have completed at least 1 semester of full-time study at your home university before applying to UC. By the time you arrive at UC, you should have completed at least one year of undergraduate studies at your home university.

Q. I’m a post-graduate student. Am I eligible for the program?
A. While exchange is primarily an undergraduate program, we often accept masters level students as well.

Q. Can I take classes ‘just for interest’ on exchange?
A. Your primary goal must be to take classes that can be credited to your home degree. If you have electives as part of your degree, you may be able to take some classes for interest’s sake—perhaps an Australian or Aboriginal unit.

Q. Can I go on exchange for a year instead of a semester?
A. Most students study at the University of Canberra for one semester. However, if your home university approves, you may apply for up to one year or to extend your stay after you have arrived.
The UC Exchange Program has helped me create a home away from home! They helped me easily transition to a new school, go on once in a lifetime adventures, and meet lifelong friends from all over the world along the way! Y’all are great! Thanks for everything so far this semester!
