Countries involved are Australia, China, Indonesia, Malaysia, Vietnam, Bhutan, Bangladesh, India and Pakistan. If you are interested to join us, please email to international@canberra.edu.au

Bus tour from Sydney to University of Canberra – 15th May 2013 and 5th June 2013

Marketing and International organised a bus tour from Sydney to University of Canberra for a day visit. The purpose of this event is to invite agents and potential students from Sydney to experience firsthand what it is like to be a UC student for a day through an organised program of activities. A campus visit not only provides students with an opportunity to participate in an enriching educational experience but it also helps to demystify university and familiarise students and agents with a genuine higher education environment at the University of Canberra.

"Living on res is amazing. It is a great way to meet so many new people and there are always fun things happening. I am incredibly happy that I made the decision to move onto res and I would recommend it to anyone!" Jemma Harrison, New Ressies [Wagan] – University of Canberra Village

Discovery Day 2013

Marketing and International together with the University of Canberra College organised Discovery Day on Thursday 30th May 2013. The event this year was another great success with approximately 130 international students in year 11 and 12 from 5 schools in the ACT. Every year, we organised this event to introduce the University of Canberra to year 11 and 12 students and to give some students some insights into university life, the campus, and courses available but most importantly have a great time and take some positive and happy memories back
University of Canberra disciplines enter world rankings

06 June 2013: The University of Canberra is on course to meet its goal of being world ranked by 2018, with two disciplines already ranked in the top 200 in the world.

The University’s strategic plan aims to see the University of Canberra enter world rankings in five years, but the new 2013 QS World University Rankings by Subject already ranks the University’s work among the best in the world in two categories: ‘Politics and International Studies’ and ‘Agriculture and Forestry’. The rankings are based on academic reputation, employer reputation and the citation of researchers’ work.
