

APPLICATION FOR RESEARCH DEGREE SCHOLARSHIP

PLEASE NOTE

This form is only to be completed by those applying or currently enrolled in a PhD and also wishing to apply for a Scholarship. To be eligible you must be enrolled, or be seeking to enrol, as a full-time candidate in a Doctor of Philosophy course at the University. New Applicants: please submit this form alongside your Research Degree Admission Application Form - Closing date 31 October.

Instructions: To check boxes using Microsoft Word, double click the desired box and select 'Checked' under the heading 'Default Value'.

HOW TO APPLY

If you wish to apply for a PhD Scholarship, you must complete the following:

1. the *Research Degree Admission Application* form and attach accompanying documents (if not a current candidate)
2. the *Application for Research Degree Scholarship* form (scholarships are only available to those undertaking a PhD full time)
3. the *Research Scholarship Publication or Other Research Output Details* form
4. the *Scholarship Applicant Relevant Research or Professional Experience* form

The completed application and accompanying documents must be submitted by the 31 October to:

research.scholarship@canberra.edu.au or

Research Students' Office
Student Administration
University of Canberra ACT 2601

INFORMATION AND ELIGIBILITY

Scholarship applications submitted will be assessed for Scholarships as nominated on the following page.

Forms for Scholarship Application

The forms required to accompany an application may be found at:

<http://www.canberra.edu.au/research-students/scholarships/how-to-apply>

Highly Competitive Allocation

Allocation of scholarships is very competitive and scholarships will only be awarded to applicants with the strongest academic background and the potential to carry out the highest quality research.

First Class Honours or Honours One Equivalent

As per policy, scholarships will only be considered for those applicants who hold a First Class Honours degree or who are assessed as Honours One Equivalent.
