

The Enrolments & Fees team would like to remind you that, as a full-fee payer or permanent resident, your tuition fees were due at the end of week 1. If you haven't done so already, you can download your statement of account by logging onto OSIS and clicking on "statement of account". If you are a Permanent Visa Holder you will have received a Domestic/Commonwealth Supported rate, however you are not entitled to a HECS-HELP loan, or to the 20% discount when paying your tuition fees, and you must pay your tuition fees in full by the Census date. If fees are not received by the Census date (5 March) then your enrolment will be cancelled. More information can be found at: <http://www.goingtouni.gov.au/Main/Quickfind/PayingForYourStudiesHELPLoans/Default.htm#3>

If you have made payment more than 3 days ago and your payment is not yet appearing on your new current statement of account, please visit the Student Centre with a copy of your receipt to ensure that payment is matched to your student account.
