

Branch of the ACT Region

Higher Education Research and Development Society of Australasia Inc

Post conference networking seminar

HERDSA members and friends are invited to this seminar to mark the reconstitution (with champagne) of the Branch of the ACT region.

The seminar is in 4 parts:

1. The formation of a regional cohort of reflective practitioners. That is educators talking about teaching and learning on a regular basis.
2. Developing strategies across regional institutions for assessing Work-integrated learning.
3. Sharing experiences and reflections on the HERDSA conference. A number of members from the ACT and surrounding region presented refereed papers, showcases or symposia on a variety of issues (e.g. academic skills development, group assessment, workplace learning).
4. Informal networking over champagne, tea coffee, nibbles and biscuits. (It is assumed that the formal part of the seminar will be limited to one hour)

Context: The Branch of the ACT Region potentially includes 7 universities, the four Canberra Universities: Australian National University, The Australian Catholic University, The Australian Defence force Academy (a college of UNSW) and the University of Canberra, also the University of Wollongong and potentially Charles Sturt University and the University of Western Sydney.
