STUDENT GUIDE

STUDYING WITH SVKM’S IIS AND THE UNIVERSITY OF CANBERRA
YOUR PATH TO SUCCESS

Forge an internationally successful career — thanks to the SVKM’s IIS and UC Student Programs.

In response to growing demand for global educational programs, SVKM’s Institute of International Studies collaborated with University of Canberra, Australia to offer internationally recognised programs to equip students for a successful international career.

The programs offer a world-class, Master’s degree education at a lower cost than completing both qualifications overseas. Students will start their studies in Mumbai for the first two years, and complete their degree in Australia’s capital city, Canberra.

Currently we offer two programs:

- Bachelor of Accounting packaged with a Master of Business Administration (MBA), and
- Bachelor of Design (Visual Communication Design) packaged with a Master of Design Strategies

- A cost-effective solution to studying overseas
- Start your degree in Mumbai and finish in Australia’s capital
- Complete the programs in only 4 – 4.5 years
- Eligibility for 2-year work permit after completion of study
- Internationally recognised qualification
Welcome from SVKM’s IIS and UC

A Message from SVKM’s President

It gives me great pleasure in welcoming you to SVKM and to our Institute of International Studies. Global education has opened various opportunities to young graduates. SVKM was the pioneer in collaborating with Kingston University, London to provide a unique opportunity and exposure to students in India. Now, we are widening our horizon by collaborating with University of Canberra to offer an integrated Bachelors and Masters Program.

We always had the reputation of offering distinctive education featuring a strong student engagement and innovative modules, focusing on students’ entrepreneurial and employability skills. SVKM has over 35,000 students from across India and reflect a truly diverse study environment. Our institutes provide students state-of-the-art learning resources and well-equipped campuses meeting international standards.

Progressing further, we ensure that the collaboration with University of Canberra will be able to provide immense value to aspiring students. I invite students to avail this challenging global opportunity at the Institute of International Studies and I am confident that your study at the Institute of International Studies will be a turning point in your learning experience and will equip you to achieve your career goals.

Shri. Amrith R. Patel
President, SVKM

A Message from SVKM’s IIS Director

Since its inception in 2006, the SVKM’s Institute of International Studies has grown to become the leading provider of International Degree programs across various disciplines in collaboration with highly ranked Universities from UK and Australia. We currently offer 6 different Integrated programs across Business Administration, Accounting, Design, Computer Sc. and Engg in Mech., and Civil. Through its unique model of delivering a part of program in India and part with Parent University, the programs gain the strengths of global excellence with regional focus. This is an excellent way for students to accelerate their education in the global academic world.

Our students come from diverse Indian backgrounds and go on to a myriad of graduate programs and careers. One thing our students share in common is a deep interest in the issues, events, and cultures across continents. Based on the SVKM’s founding principles of global thinking consistent with national interest and promoting the values, professionalism, social sensitivity and dynamic entrepreneurship, all the programs aims to provide students with practical global and Indian experience that greatly enhance their lives and future careers.

We invite you to SVKM’s IIS to help nurture your capacity as a global citizen. Me and my team look forward to welcome you at SVKM’s IIS — the Institute with Global footprint.

Dr. Richa Jain
Director, SVKM’s IIS

About SVKM’s IIS

Shri Vile Parle Kelavani Mandal (SVKM) is a Public Charitable Trust registered under the Society’s Registration Act and Bombay Public Trust Act. From its humble beginning in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, SVKM today has grown into a big educational complex imparting high-level education to more than 35,000 students.

SVKM today is proud of some of the finest educational institutes in the country like NMIMS deemed to be University, N.M. College of Commerce and Economics, Mithibai College, D.J. Sanghvi College of Engineering, Bhagubhai Mafatlal Polytechnic — to name a few.

SVKM’s Institute of International Studies (IIS) started in the year 2006 with a vision to provide higher learning to aspiring Indian students with its first internationally acclaimed professional global program. We pioneer in collaboration with Kingston University, London which successfully completed its 13 years thus created a niche for global programs in India.

With a strong vision and passion for being the pioneers of the modern education system, all SVKM institutes are state of the art, with ever expanding facilities and infrastructure. The partnership with the University of Canberra extends our collaborations into the capital city of Australia, Canberra.
A MESSAGE FROM UC’S VICE-CHANCELLOR AND PRESIDENT

Nested in the nation’s capital, we are a young university with a bold vision. We aim to be amongst Australia’s most innovative tertiary institutions, continue our ascent in world rankings, and extend our regional, national and international reach. As a step forward in realizing this vision, we are feeling proud to collaborate with SVKM’s Institute of International Studies and bring University of Canberra to India. This collaboration of likeminded quality education providers will definitely prove to be a significant milestone in the global education scenario in India.

Times Higher Education World University Rankings place the University of Canberra in the top 12 per cent of universities worldwide, and among the top 100 universities in the world under the age of 50. University of Canberra is making its mark globally with its innovation and expertise. With collaborating with SVKM’s Institute of International Studies, we get an opportunity to add value to your career and provide an enriching learning experience right at your doorstep.

I invite you to explore our accomplishments to date and learn more about our courses, our people, our campus, and most importantly our vision and plans for the future. I hope you will reap all the benefits of this strategic collaboration and looking forward to welcoming you to the University of Canberra family.

Professor Deep Saini
Vice-Chancellor and President, UC

ABOUT UC

The University of Canberra (UC) is a young, ambitious and world-ranked university located in Australia’s lifestyle capital, Canberra. Home to over 17,000 students from over 100 countries around the world, UC is a safe, inclusive place to study.

Our contemporary approach to education has seen us become Australia’s fastest rising university, rocketing up the international rankings, to be among the top 100 universities under the age of 50 and part of top 1.2 per cent of universities worldwide (2019 Times Higher Education University Rankings).

Our campus comes alive with coffee shops, restaurants, bars and lounges — all set amongst the idyllic native bushland.

The University of Canberra is the perfect starting point for any student looking to gain an internationally recognised qualification in a safe and welcoming environment.
WHY CHOOSE UC?

MODERN, YOUNG AND HIGHLY RANKED*

The University of Canberra is quickly building a reputation as a highly motivated and innovative academic game changer. Named in the top 1.2% of universities worldwide, and in both the top 100 young universities and the top 100 Asia-Pacific universities in the world, UC has been officially recognised as one of the fastest rising academic institutions in the world.

* Times Higher Education World University Rankings 2019
  Times Higher Education Young University Rankings 2017
  Times Higher Education Asia-Pacific University Ranking 2017

PROFESSIONAL ORIENTED COURSES THAT LEAD TO JOBS

All UC courses are fast moving, future-proof and been designed to adapt to changes in the industry at a moment’s notice. This approach coupled with one of the largest work-integrated learning (WIL) projects in the history of Australia higher education will give you exclusive access to internships and professional networks throughout Australia.

LEARN FROM EXPERTS

At UC, you’ll be taught by highly qualified industry-connected academics, who are leading the way in areas such as Cancer Research and Architectural breakthroughs. Not only are our academics passionate about what they do but also happy to share vast knowledge and experience with any student willing to learn.

PLENTY OF JOBS

As a rising institution, international students consistently state that UC is one of the top universities for part time jobs either on campus and around the local community. From working as customer service staff, to finding employment as technicians and managers within large organisations, UC students have a particularly strong reputation as hard-working, reliable employees and as such are often the first to receive the latest job opportunities.

SMALLER CLASSES

UC offers smaller, more personalised classes creating a powerful student journey that is more focused and tailored to the individual learning needs of each student.

This approach encourages deeper engagement and fosters stronger, more authentic working relationships between teacher and student, and as a result, regularly produces above average graduates with both the knowledge and skills to enter the workforce with confidence.

FANTASTIC VALUE FOR MONEY EDUCATION

Offering one of the cheapest on-campus accommodation options and based in one of the most affordable cities in Australia, UC is ideally suited for students looking to gain a globally recognised qualification that won’t break the bank.

Adding to this, SVKM’s IIIS students will save over Rs 20 Lakh under this program when compared to undertaking the same package in Australia.

BASED IN ONE OF THE WORLD’S MOST LIVABLE CITIES**

Canberra is world famous for a number of reasons including as one of the world’s most liveable cities, one of the top three cities in the world to visit, and one of the best ‘student cities’ in the world.

Canberra also has the highest employment rate in Australia, the highest average salary, a robust and growing infrastructure and a reputation for being friendly and welcoming — it’s no wonder so many people love to call this place home.

** www.numbeo.com

SAFE, FRIENDLY AND WELCOMING CAMPUS

The UC Bruce campus is spread across 280+ acres, with a community focused learning environment that has been specifically designed to accommodate study, work, and play. With over 80 academic, social, cultural and sporting clubs on site, as well as prayer rooms, women’s rooms, a children’s creche, cafes, shops and 24/7 security, UC offers a genuinely safe, friendly and welcoming campus for all.
WELCOME TO CANBERRA

Welcome to Canberra, a modern metropolis that celebrates innovation and embraces diversity.

It is here, surrounded by vast bushlands, lakes and beautiful scenery you will find a city like no other. Welcome to the home of the heart, mind and spirit of Australia.

CANBERRA IS FOR FOODIES

Teeming with award-winning restaurants, breweries and wineries, fresh food markets and annual food festivals, and home to the world champion barista and coffee house, ONA Coffee, you’ll never run out of places to discover and indulge in.

CANBERRA IS EVENTFUL

Canberra’s calendar is literally bursting with major events and festivals such as Floriade, Skyfire, Enlighten, Canberra Balloon Spectacular, Groovin the Moo and Split Milk. And if it’s sport you’re after — take your pick! We’ve got it all from rugby to ice hockey to baseball.

CANBERRA IS RATED HIGHLY

Rated OECD’s most liveable city, Canberra has the lowest commute times of all Australian cities, more hours of sunshine per day than Melbourne, Sydney or Adelaide, and the most extensive cycling network per capita. You can also rest easy with the lowest crime rate and highest concentration of police in Australia.

CANBERRA IS A KNOWLEDGE CITY

Where better to study than a city designed for students and ranked in the top 25 QS Best Student Cities in the world? Not to mention that Canberrans have the highest weekly income in the country. Makes the Australian Public Service Graduate Program look pretty sweet.

CANBERRA IS AUSTRALIA’S CAPITAL

Home to Parliament House and the 226 members and senators elected to represent the Australian people, Canberra is a multicultural city with around 25 per cent of the population born overseas. Naturally, our national institutions and attractions are also located here, including the Australian War Memorial and National Zoo and Aquarium.

CANBERRA IS ON NATURE’S DOORSTEP

If you love the outdoors, then Canberra is your launch pad for some amazing adventures. Explore nearby Namadgi National Park, Stromlo Forest Park, Corin Forest and the National Arboretum. Prefer a trip to the snow or the coast? They’re both only two hours’ drive away!

ACCOUNTING AND BUSINESS PACKAGE

BACHELOR OF ACCOUNTING

Want to develop the technical skills you need to become a successful accountant in Australia or internationally?

This degree will equip you with the ability to excel.

The Bachelor of Accounting combines a mix of theoretical knowledge and real-world learning experiences to help students develop expertise in communication, networking and cross-cultural awareness.

You’ll graduate as a critical thinker with solid collaborative experience, and will be qualified to undertake professional study programs with both the Chartered Accountants of Australia and New Zealand and CPA Australia.

MASTER OF BUSINESS ADMINISTRATION (MBA)

Take your future career to the next level by completing your MBA.

Learn all the key aspects of business, including finance, marketing, economics, strategic processes and people management.

Put your degree into practice while you learn and graduate with an impressive portfolio of international experience, as well as the solid business mindset required to negotiate complex business environments.

- Fifth semester of study (August)

Graduate with a Master of Business Administration
DESIGN PACKAGE

BACHELOR OF DESIGN (VISUAL COMMUNICATION DESIGN)

Studying a Bachelor of Design (Visual Communication Design) will set you on the path to a successful design career.

You’ll explore how, as humans, we communicate and organize information in visually accessible ways.

The course investigates traditional print-based designs, web applications and new technologies.

With a focus on visual communication in the global marketplace, you’ll learn how to design for both business and consumer audiences across different cultural contexts. You’ll graduate with a thorough knowledge of typography, logotype design, layout, publication design, environmental graphics, packaging and digital design.

MASTER OF DESIGN STRATEGIES

Position yourself for success by completing a Master of Design Strategies.

This degree delves into the theory and methodologies of applied design across products, interfaces and services. You’ll focus on social and global innovation and will develop key skills in service design, interaction design and entrepreneurial practices.

With a well-rounded knowledge of design thinking and innovation, you’ll graduate ready to impress in a range of industries.

UC offers a wide range of on-campus accommodation options designed to help you adjust to university life as easy and stress-free as possible.

To help you feel welcome, UC also has an active and friendly social network who regularly organise and host exclusive student networking and socialising events such as cooking classes, BBQ’s, day trips, holiday event and more.

There are even private study spaces and access to Wi-Fi across the entire UC campus.

On-campus living offers a diverse and stimulating opportunity to work and engage with other students from all over the world. If you’re looking for an amazing and memorable university experience, then nothing beats the excitement and energy that comes from living and studying in a truly multinational study environment.

**UC VILLAGE**

The Village accommodation is self-catered and offers a variety of living options on campus — from 12-room shared residences to one, two and five-bedroom apartments.
HOW DO I APPLY?

Taking the first step is easy:

- Obtain admission form from SKVM’s IIS (online and print available)
- Submit the application form with all required documents
- Personal Interview
- Apply to UC (we recommend contacting Comptuain to complete this step at no charge)
- Secure admission to SVKM's IIS

ADMISSION REQUIREMENTS

- For Design package: A minimum of 70% (State Boards) or a minimum of 65% (CBSE).
- For Accounting and Business package: A minimum of 75% (State Boards) or a minimum of 68% (CBSE).
- International Baccalaureate: 26 IB points overall
- Proven English language proficiency, or Academic IELTS of 6.0 (with no band score below 6.0)
- Candidate must pass the selection process at SVKM’s IIS which includes assessment of application form and a personal interview
- Candidates must meet Genuine Temporary Entrant (GTE) requirements and obtain a student visa in order to progress to the Australian-based component of the program.

DOCUMENTS REQUIRED

- Copy of Pan Card
- Copy of Aadhar Card
- Copy of Valid Passport
- Copy of the XII Std. or equivalent examination
- Leaving certificate of the last attended institution (Original)
- Copy of Certificates proving the required English proficiency
- Duly filled Identity Application form along with two Passport size photographs
- Duly signed IIS rule book

Prior to progressing to the Australian-based component of the program the candidate will need to provide documentation relating to the GTE requirement including evidence of financial capacity and a Statement of Purpose.

Note: The originals of above-mentioned documents must be produced at the time of application.

* 2019 international fee

Note: Fees at SVKM’s IIS are exclusive of GST 18% or as may be applicable at the time of admission. Year 3, 4, and 5 fees are estimated and subject to change. Foreign Language course fee is applicable separately.

The indicative fees are correct as of the date of this brochure’s publication (2019). International tuition fees are reviewed and are likely to increase annually. Students will be required to pay the set annual fee applicable for the year in which they are enrolled.

CANCELLATION POLICY OF IIS

100% refund — 15 days from the date of Admission.
However, the deduction of ₹ 10,000/- towards the processing fees will be made.
75% refund — 16 days to 30 days from the date of Admission.
0% refund on or after 31st Day of admission
By the expression “date of admission” is meant the formal date on which the student has taken admission in the college by paying the full or part fees.
All deductions will be subject to the percentage of total amount of fees charged for the Year 1 of the program.

Note: No refund will be made for the GST or such other indirect taxes.
I LOVE MY PROFESSORS

They’re incredibly knowledgeable and helpful. Whatever we study, we can directly apply in placements and internships.
