# **USING THE PROFESSIONAL EXPERIENCE REPORT**

#### To the mentor teacher:

This report is to document a <u>shared understanding</u> of a Preservice Teacher's (PST) progress during their professional experience.

The report should be written following a process of professional conversation structured around the three domains of the *Australian Professional Standards for Teachers: Professional Knowledge, Professional Practice and Professional Engagement*. These conversations will include the Preservice Teacher and Mentor Teacher and may include other school and university staff.

The report has 3 purposes.

- 1. It is an educative document designed to assist pre-service teachers to improve their teaching practice;
- 2. It is an assessment document used by the University as part of unit requirements;
- **3.** It is used for employment and accreditation purposes.

#### Formal assessment to be undertaken by the mentor teacher:

The report is to be completed twice during a professional experience placement

- 1. as an interim/formative mechanism which informs the final report (required for a placement over 10 days and/or if there are concerns about the PSTs performance)
- 2. as a summative (Final) report required for the Preservice Teacher to pass the aligned unit of study.

#### **Review at Mid-Placement:**

At the mid-point of the placement, supervising teachers are asked to engage with the PST in a collaborative review of progress to date with reference to the Graduate Standards as per the Professional Experience Report in order to identify demonstrated strengths and areas for further development during the placement. **Preservice Teachers** are to attach the interim report copy to the canvas site of their current placement unit.

#### **Intervention and Support:**

An Intervention and Support report is completed at any time there are concerns regarding the successful completion of the placement. This report is to be emailed by the Mentor Teacher or School Professional Experience Coordinator to <a href="mailto:peoffice@canberra.edu.au">peoffice@canberra.edu.au</a> This initiates support and intervention from a UC School Support Team member.

#### Assessment at the Completion of the Placement:

Please grade the overall assessment of the placement as Satisfactory or Unsatisfactory.

In making judgements, please refer to the advice given in the *Guide to Preservice Teachers' Professional Practice* to ensure that evaluation is appropriate to the Preservice Teacher's level of development in the course.

The comments entered in these reports may be read by a range of stakeholders in the PST's learning journey, so they should be concise, focused and emphasise learning and development.

We anticipate that most schools will submit this report directly to UC via email. Please inform us if you wish to report by hardcopy. Please email completed report to <a href="mailto:peoffice@canberra.edu.au">peoffice@canberra.edu.au</a> Careers UC Placement Team, University of Canberra within 1 week of the placement completing.

THIS REPORT REMAINS THE PROPERTY OF THE UNIVERSITY OF CANBERRA.
PLEASE ENSURE A COMPLETED COPY IS PROVIDED TO THE PRE-SERVICE TEACHER.

### **Inherent Requirements**

As well as addressing the 'Standards' during a placement, preservice teachers are also expected to address the UC Inherent Requirements for Education students. Below are examples of the requirements that particularly apply to placements.

SPECs and mentors may wish to refer to these in preparing their Placement report comments.

#### 1. Communication Skills

#### Rationale

Communication skills are an essential requirement to develop and maintain trusting relationships, and to perform effectively in an academic and complex professional environment, as well as solve problems and communicate knowledge and understanding of relevant subject matter effectively.

#### Inherent requirements

#### A. Expressive

Expressive communication, in English, to a standard that allows articulate and comprehensible dialogue between two or more people, and written communication to a standard that allows clear, scholarly, and professional-level messages and text with language use and style appropriate to the audience.

#### B. Receptive

Internally formulate and assess conceptual meaning from verbal language and written messages and/or text, in English, using knowledge of language, background knowledge and critical thinking skills.

#### C. Non-verbal

Appropriate use of facial expressions, eye contact, gestures and body movement, and being mindful of space and time boundaries.

#### D. Interpersonal Communication Skills

Respectful communication with others, including the ability to listen, display and respect empathy, build rapport and gain trust to ensure meaningful and effective interactions with people they engage with.

#### 2. Behavioural Stability

#### **Rationale**

Behavioural stability is essential in managing personal emotional responses and behaviour in academic and complex professional environments, including situations of potential human distress. It is required to work constructively in culturally and socially diverse settings and to deal with challenging issues, timelines, and ambiguously defined problems.

#### Inherent requirement

Behaviour that is adaptable to effectively manage changing situations sufficiently to maintain academic and professional standards. Persistence and personal resilience to facilitate the maintenance of wellbeing in stressful situations.

# 3. Knowledge Skills

#### **Rationale**

Knowledge skills are essential in acquisition and application of learning in both the academic and professional environment.

#### Inherent requirement

Acquire knowledge, process information, analyse, think critically and synthesise information to apply knowledge of the discipline and sufficiently meet learning outcomes and academic standards relevant to the course, utilising cognitive and literacy skills, including focus, memory, and attention to detail.
