OUR SERVICES

The Domestic Student Recruitment team at UC offers a variety of different school engagement options that can be tailored to suit all groups.

For further information on any of our services or to book us in, please contact Student.Recruitment@canberra.edu.au

Career expos

Attendance at upcoming careers expos, fairs and information events. UC is happy to attend any events you have to provide information to your students, including both face-to-face and online events.

One-on-one course advice consultations with students

Your students can book a consultation with one of our Domestic Student Recruitment staff to talk about their options, pathways and life at UC. Consultations can be facilitated either face-to-face or online.

Campus tours

A campus tour is a great way to get a feel for campus life. We can facilitate school group bookings. Tours include key facilities on campus and are coordinated by one of our knowledgeable and friendly Student Ambassadors.

UC presentations

The Domestic Student Recruitment team can visit your school to talk to your students about courses, scholarships, admission, student life and more.

EXPLORE UC

Explore UC Week is an opportunity for school groups to come onto campus one day of the week, wherein individual students will be able to customise their experience by selecting four (x4) workshops (from a suite of workshops across all five faculties) that best suit their interests, creating a timetable unique to each student. School Registrations available on our website.

WHERE UC STANDS

Connected

Connected is a decadal strategy that sets out the long-term ambitions and objectives for our university. It has at its core explicit commitment to our staff and students, to our place in Canberra and the region, and to the Ngunnawal people. Our ambition for the coming 10 years is to be a global leader in driving equality of opportunity. A commitment that ensures we are the most accessible university in Australia; building an international identity for UC that celebrates, and is built upon, the importance of our place, one of national and international decision making. We proudly embrace our role as the University of the nation's Capital.

CAREERS UC

Jobs for Students | Careers for Graduates

02 6201 2301 | careers@canberra.edu.au | canberra.edu.au

Careers UC connects students with job and internship opportunities on and off campus. We support students to develop their employability skills, as well as guide them in their career pathways, their employability skills and to seek and secure employment.

Our Jobs on Campus program provides students with relevant, professional, paid work on campus. Students can work in roles including Student Ambassador, Library ASK Advisor, Food and Beverage Attendant, Communications Officer, Administration Assistant, Events Coordinator, and Data Entry Officer – just to name a few.

UC gives students real-world experience so they can put theory into practice. By embedding Work Integrated Learning opportunities into all our courses, we enhance student readiness for the workplace.

UC's sector-leading programs include:

- Scholarships for students undertaking placement
- Paid semester length internship programs
- International internships
- University-wide programs in Singapore, Malaysia, Thailand, and more
- Campus development: Students have the chance to get involved with our campus development projects at all stages, from design to construction
- Rural and regional programs
- Placements and internships in and around Canberra

WORK INTEGRATED LEARNING

Work Integrated Learning (WIL) is central to our approach to education. Our WIL opportunities enhance our students' employability in the workplace and is an integral component of our courses. We strive to include Work Integrated Learning in all undergraduate courses, across every faculty, providing a variety of options for students'.

Field work is an approved activity that involves observing, collating information and/ or collecting data/ specimens.

WIL Project, or activity that engages individuals or teams to respond to a real-world problem or opportunity under the guidance of the faculty and client, or the faculty.

Placements or internships involve work experience (that takes place at the workplace) under the supervision of the faculty and the workplace supervisor.

Simulation, which can be a project or activity, involves authentic work experience that is undertaken in a simulated work environment, under the guidance of a supervisor. Simulation may be in the physical environment or virtual.

JACOB WILSON

Bachelor of Communication and Media (Corporate and Public Communication)

Jacob Wilson completed his internship at the Department of Prime Minister and Cabinet in 2020, as part of his Bachelor degree.

The internship allowed Jason to gain valuable and practical experience in the Australian Public Service. He had the opportunity to work on a broad range of tasks, including developing policy advice and analysis for the Prime Minister and other Ministers.

"Honestly, it is the most rewarding and exciting opportunity. I gained so much insight and understanding of the communications/government industries" he said.

Jacob believes UC provided a pathway that contributed to his personal and academic journey, and he achieved things he'd never even thought about. He hopes to continue his career in communications within government, especially with the Department of Prime Minister and Cabinet.

UC's Global Network

ISSS & CULTURAL DIVERSITY OF STUDENT BODY

Everybody's Invited is one of UC's Core values and we mean it when it comes to our student body, regardless of where you've been, UC can take you to where you're going. Support for international students and opportunities to meet people from all walks of life.

EMBRACE UC'S CULTURALLY DIVERSE STUDENT BODY WITH:

- Attending the Multicultural Moonlight Markets
- Grabbing lunch at the Global Kitchen
- Sign Up to UC Refugee Action Club; UC Community Garden Club; RUCKUS Sports Club; etc.
- Study Abroad

STUDY ABROAD

When you study abroad you're enhancing your degree with a once in a lifetime experience. While completing credit towards your degree, you will gain international perspective, a network of friends and colleagues, and develop your employability skills. We make studying overseas easy by helping you tap into our global network and take advantage of funding opportunities that will help finance your international adventure

Study Abroad list options:

- Exchange Program, 1-2 semesters.
- Faculty Study Tours, 2-5 weeks.
- Short Course Programs, Winter/ Summer Break.
- International Internships, 1-2 semesters.

GLOBAL NETWORK

We are privileged to work, learn and teach out of Ngunnawal Country but our students travel to all corners of the globe, whether it's visiting far off family or studying abroad.

Canberra is rich in opportunity. Not only is the city famous for museums and galleries; stunning bushwalks and hot air balloons rides; Canberra is known for its inclusive community and diversity, with a quarter of the city's population born overseas.* Everyone is welcome, and everyone is encouraged to succeed.

NGUNNAWAL CENTRE

At UC, we welcome and support all Indigenous students pursuing a university education. The Ngunnawal Centre is the focal point for Indigenous students at UC. The centre's aim is to work with students to help them achieve academic success through educational programs and confidential support services.

Offerings for Indigenous Students:

- Aboriginal and Torres Strait Islander Foundation Program
- University Priority Group Adjustment Factor Points via UAC
- Student Success Services e.g. ABSTUDY financial assistance; CareerTrackers Indigenous Internship Program
- Textbook/ Resource Access e.g. Laptop loans; Free printing; Kitchen Access
- Free Tuition
- Cultural/ Pastoral Support and Mentorship
- Elder in Residence Access

“

My advice to any student thinking of doing an exchange or study abroad semester is to do it ... The people you meet and the things you get to see and do are indescribable ...

It's difficult to pick out just one or two highlights!

CULTURE ON CAMPUS

Campus life at UC strikes the perfect balance between vibrancy and tranquility with a little something for everyone. From annual events such as O-Week and Stonefest, to the Moonlight Markets, and Game Seasons, the UC Student Experience team, UCX, keeps campus life interesting. With over 70 social, cultural, sporting and academic clubs and societies to choose from, UC students can connect through many means. Our students also get individual perks like discounts on study equipment, travel concessions, and access to our unique UC Cultural Pass.

SCHOLARSHIPS

1300 301 727 | scholarships@canberra.edu.au | canberra.edu.au/scholarships

Domestic students can apply for a variety of private, government and internally funded scholarships to assist with study costs such as textbooks, accommodation and relocation costs. In most cases, students are selected following a competitive application process. Applying is easy — students can submit one application to be considered for every scholarship for which they're eligible.

International students have several government and internally funded scholarships available to them to assist with study costs and tuition fees. In most cases, students are automatically considered for internally funded international scholarships, but can apply for other scholarships offered in association with UC.

IMPORTANT SCHOLARSHIP DATES

Semester 1

Closing Date: Friday of Week 1

Semester 2

Closing Date: Friday of Week 1

HOW TO APPLY

Current students

After browsing for available scholarships, click the 'Apply Now' button and you will be asked to sign in to MyUC. The application form is in 'Student Forms'. While applying for an externally funded scholarship, you will be redirected to their respective website.

Future students

Our scholarships are only available for students who have been offered or have accepted their place to study at UC. After browsing for available scholarships, click the 'Apply Now' button and you will be asked to apply for admission into a UC degree.

UC SPORT

Sporting clubs help UC students stay fit and healthy across sports including soccer, netball, rugby league, swimming, hockey, rugby union, athletics, cricket, AFL, table tennis, volleyball, gridiron and more. Each club has its own levels of commitment and skill, but many allow you to take part in university sporting events like Intersarsity, UniSport, Nationals and UniSport Nationals Snow.

OUR SPORT STRATEGY

The University of Canberra is actively planning to become Australia's leading university for sport education. Our vision is that we will be known for our focus on Women in Sport, diversity and inclusion and Sports Integrity. We will achieve this vision by engaging students, staff, industry partners, high performance athletes and teams and our local community in sport, mission orientated research and exceptional student education and experiences. What's more, our ambition by 2026 is to be in the top-three ranked universities in Australia and top 50 in the world, for sport science.

ELITE ATHLETES

The University of Canberra is dedicated to helping our elite athlete students balance their sporting commitments with their academic goals. This is achieved by:

- offering adjustment factors towards selection rank when applying to UC
- offering the Elite Athlete Program for UC students

Applying for elite athlete adjustment factors

Elite athletes or sporting coaches whose sporting commitments have affected their previous academic performance may be eligible for up to 5 adjustment factors towards their selection rank at UC.

In addition to a University Admissions Centre (UAC) admissions application, students will need to provide our Admissions Office with:

- their UAC application number
- a letter explaining how their sporting commitments affected their study in years 11 and 12
- a supporting statement from the relevant sporting body and the average hours per week spent training and competing

To be considered for adjustment factors, the above information must be emailed directly to admissions@canberra.edu.au after applying through the UAC.

The Elite Athlete Program

UC students pursuing sport at an elite level may be eligible for the Elite Athlete program. To be eligible, students need to:

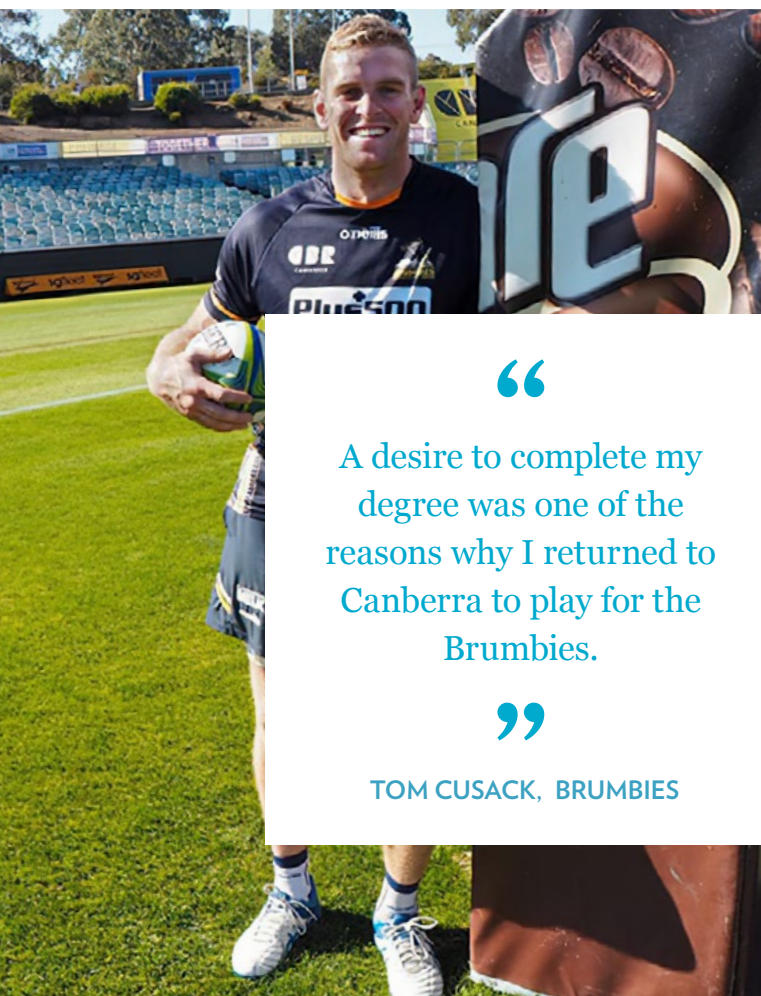

- be a current UC Student
- be a member of one of the following organisations:
 - Australian Institute of Sport (AIS)
 - state or territory institute or academy of sports
 - professional players' association
 - National Sporting Organisation (NSO)
 - Sport Australia-funded national squad
 - Sport Australia-funded national team
 - UC Sport discretionary athlete.

As part of the program students may receive the following:

- a specialised orientation session during Orientation Week
- course advice and academic planning guidance
- advocacy within the university environment
- flexibility for assessment deadlines based on a students sporting commitments
- flexibility for attendance at lectures and tutorials (if practical) when a student is unavailable due to sporting commitments
- consideration for flexibility in the timing and location of attendance at Work Integrated Learning (WIL) Placements
- opportunity to apply for generous \$10,000 Eldon and Anne Foote Elite Athlete Scholarship
- support for cross-institutional studies where applicable
- the ability to tailor workload to a students sporting commitments
- the chance to extend the time a student has to complete course work
- the opportunity to take more than one leave of absence to support a students sporting commitments.
- free access to the UCFit! Gym for the Academic Year
- free exclusive UC Elite Athlete polo shirt

To apply for the program students will need to complete and submit the online Elite Athlete Support Program Application along with supporting documentation once they have accepted an offer to study at University of Canberra.

STUDENT EQUITY AND PARTICIPATION

02 6201 2333 | studentequity@canberra.edu.au

UC provides several equity and access programs across the student life cycle that enable the success of students from diverse backgrounds who may not have the opportunity to realise the benefits of higher education. Student Equity and Participation manage the delivery of several UC outreach, transition, participation and success initiatives, including a broad range of pre-access initiatives under its flagship outreach program, Aspire UC. Working with school and community partners across the ACT and regional NSW, Aspire UC aims to increase awareness of and inform aspirations for higher education, associated careers and pathways for students from backgrounds traditionally underrepresented in higher education.

For newly commencing students, Student Equity and Participation offers targeted one-to-one appointments, facilitating the development of a 'Student Success Action Plan'. The appointments include the opportunity to participate in the First Year Career Resilience and Success Program, offering careers advice, additional employability skills with access to part-time employment opportunities aligned with the students' career goals.

STUDENT WELLBEING

Our Student Wellbeing team supports new students to ease into university life and start their journey at UC in the best way possible. Wellbeing supports students to settle into study as seamlessly as possible via a range of tailored events, initiatives, and programs. These include UC's successful Student Mentor Program, as well as regular support pop ups and orientation and transition activities.

Our Student Mentor Program is designed to support new students into their study journey in a fun and empowering way.

UC Student Mentors are matched with commencing students studying the same or a similar degree – someone who's had a similar experience transitioning to UC and/or who shares similar hobbies and interests. Mentors will connect with new students every week for the first 2 months of study to ensure they are set up for success.

Students can also connect with the Wellbeing team for confidential advice, referrals and support at any time throughout their degree in a safe and enabling environment.

Pathways to UC

CAREER CUPID: SWIPE FOR SUCESS

Try our new Career Cupid App with your students to swipe through courses and narrow down the right fit.

Scan the QR code from a mobile device to start the quiz.

There are so many pathways out there it can get confusing knowing what to do and when. We've put together a rough timeline we tell students to follow when considering UC.

Year 10

You don't need to have your life mapped out yet, instead focus on exploring. Figure out what's out there and what you can be doing to make the most of your high school studies. Engage with UC with our Accelerated Pathways Program, Fast Forward Program, Holiday Short Courses and more.

Year 11

People are starting to ask you what your plans are right? It's okay if you're not sure yet. Consider your values and ambitions to determine which careers align most. Visit campuses, take tours, invite uni' reps to talk about pathways, and more.

Year 12

The countdown is on, and before you know it, you're going to be graduating! But what then? Start to plan your future now but don't try and tackle it all at once. Applying to university is a process and so you'll need that intrinsic driver to get you across the line, here's how:

January - April

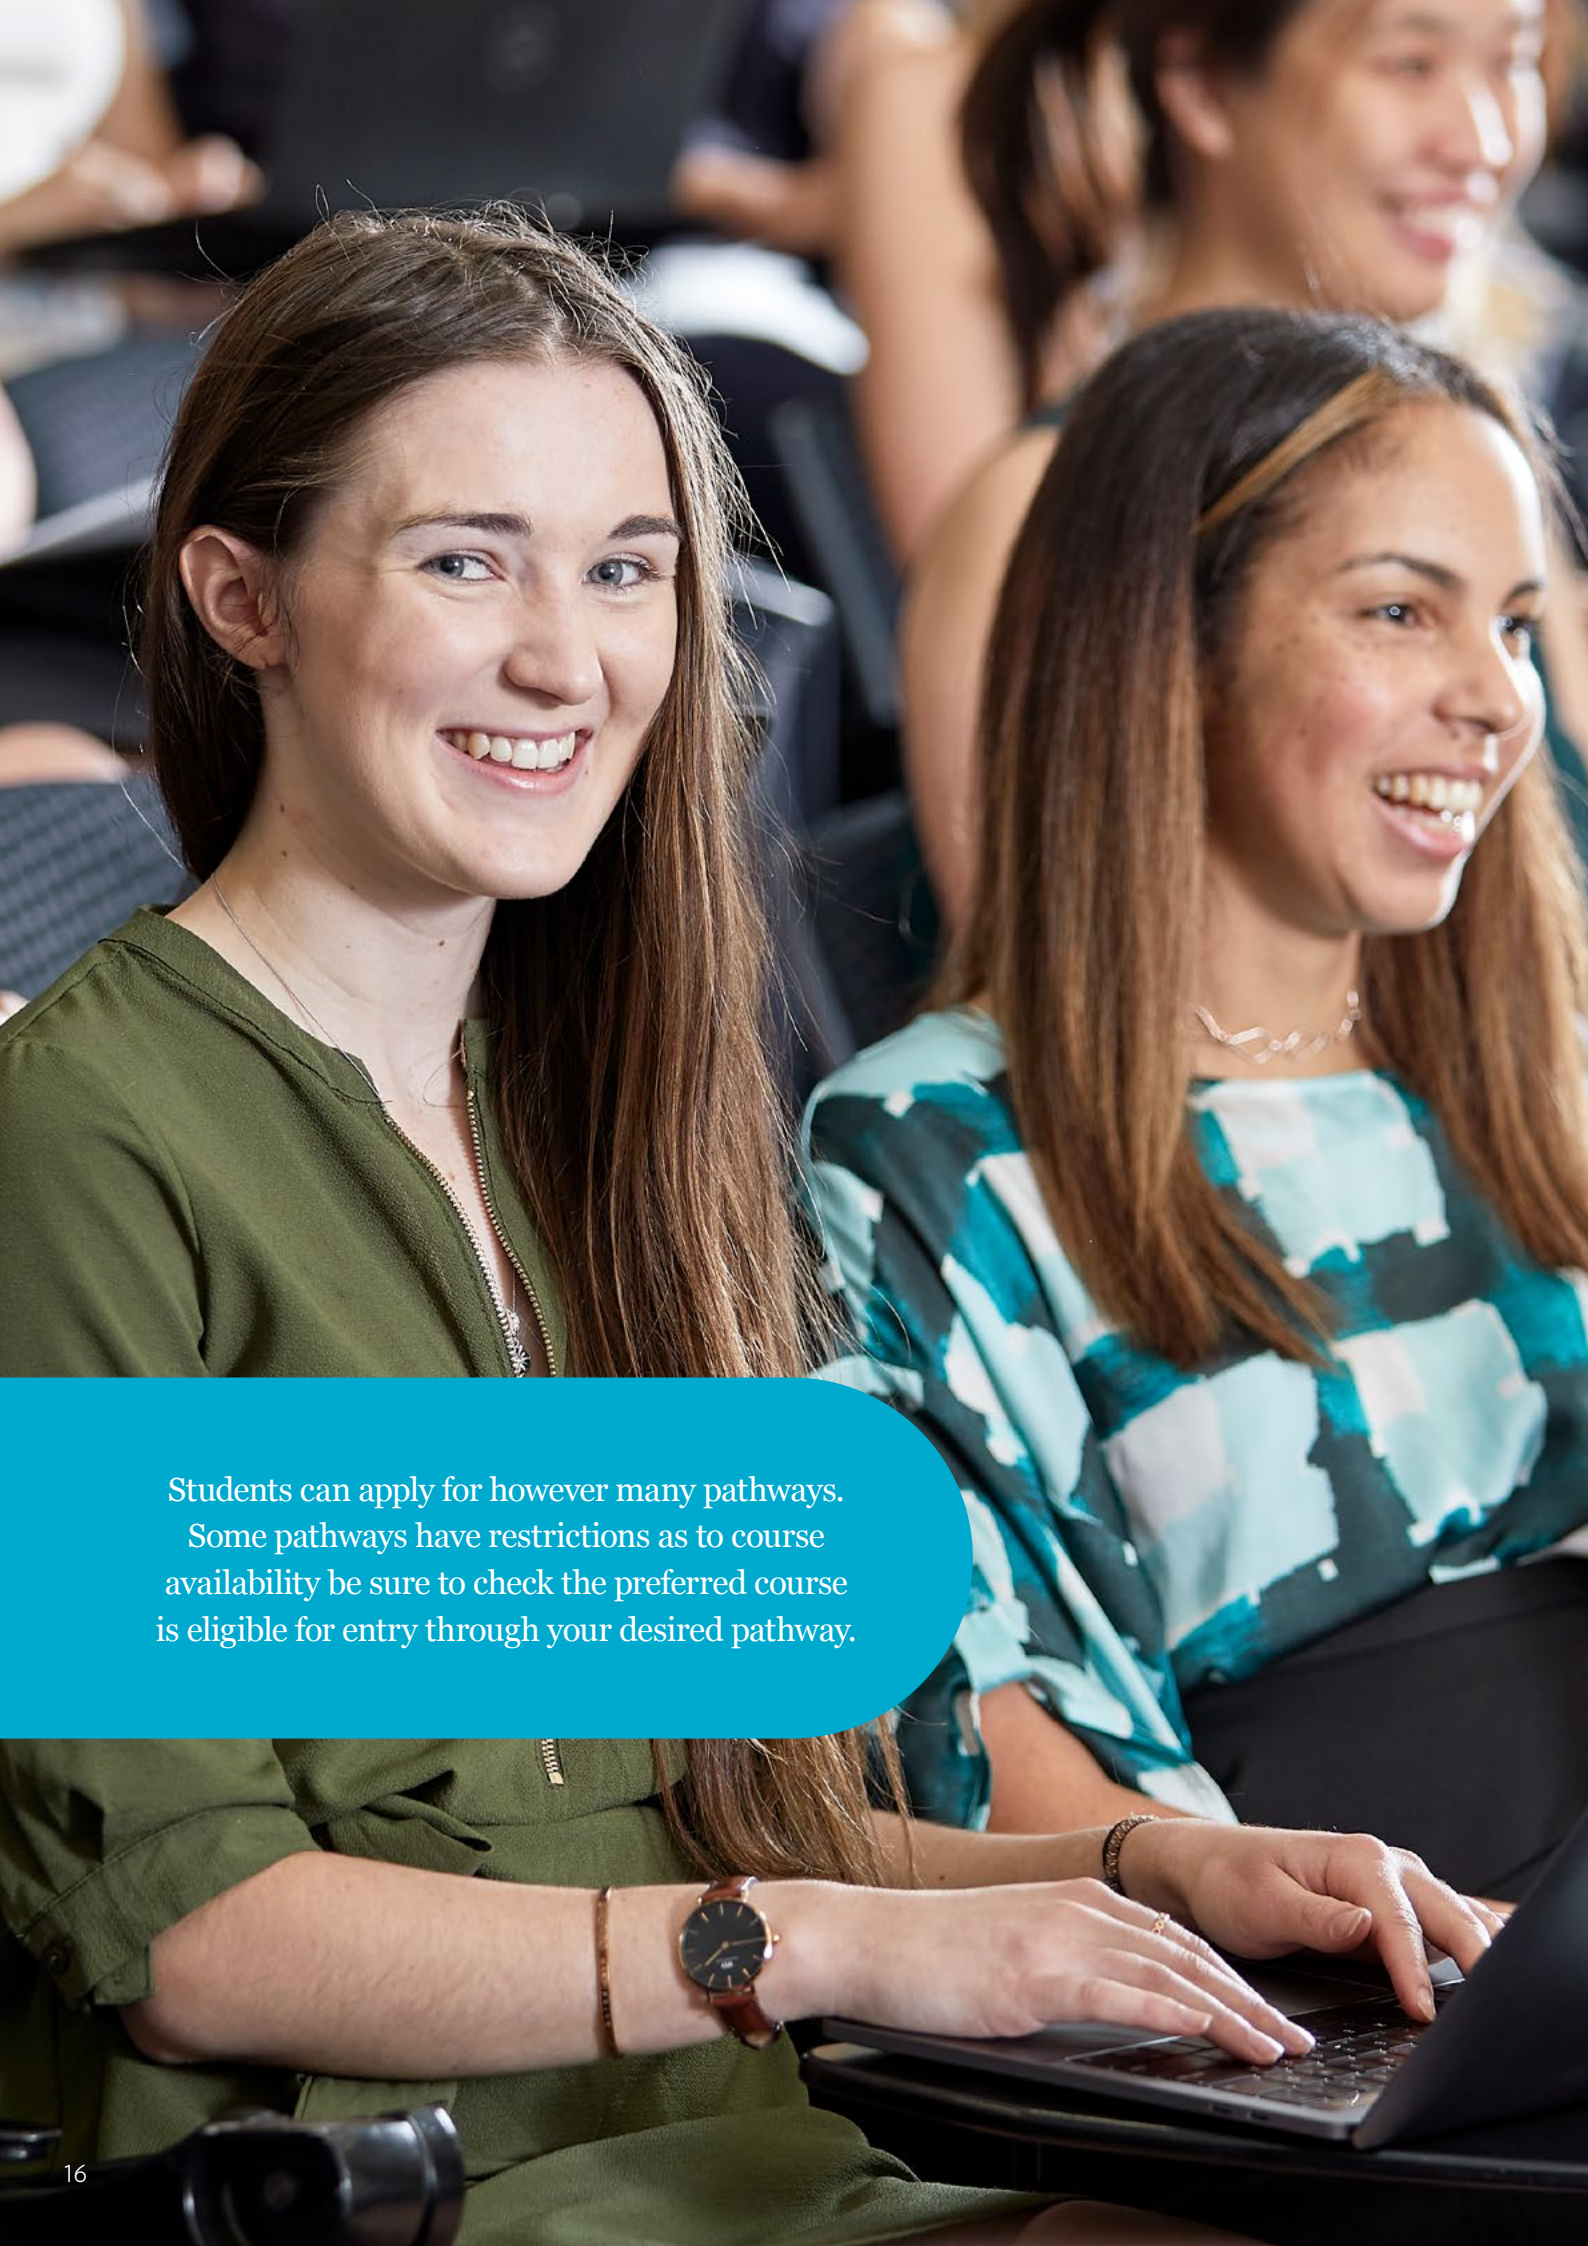

The Recon Stage: Now's the time to start weeding out the competition and envisioning your future on campus. Follow your gut, it knows more than you know.

May - August

The Choice Stage: Now's the time to seriously compare courses, institutions, pathways, and even early offers. Start scripting your future, get specific.

September - December

The Call & Answer Stage: Now's the time to submit your University applications and wait for offers to come through.

Students can apply for however many pathways.
Some pathways have restrictions as to course availability be sure to check the preferred course is eligible for entry through your desired pathway.

ADJUSTMENT FACTORS

Adjustment factors are additional points that are added to your Australian Tertiary Admission Rank (ATAR) or entry rank to give you an adjusted entry score. The University of Canberra will increase your selection rank by a maximum of 20 points across the following categories.

We understand that challenges can stand in the way of students gaining acceptance to their dream degree. Delivered by our on-campus education partner, the University of Canberra College (UC College) is dedicated to making students' dream to study at university a reality. UC College provides an alternative entry pathway to UC for students who may not have qualified for direct entry.

Centrally located on Bruce's campus, UC College students are welcome to utilise all on-campus services and facilities.

UC College provides students with a head-start in their studies through a range of Enabling and Higher Education Diploma Programs suited to both current school leavers and mature-age students.

The best bit? UC College provides students with a direct entry arrangement into UC in either the first or second year of the corresponding bachelor's degree.

Successfully completing one of our Academic Pathway Programs guarantees students a place at UC, and our highly qualified staff make sure students graduate from UC College with the necessary skills to take on a bachelor's degree.

If students have applied to UC directly but haven't received an offer, they will automatically receive an offer from UC College.

With these fantastic options, there's no need to panic if students have missed the selection rank cut off or did not receive an ATAR.

SCHOOLS RECOMMENDATION SCHEME

Schools Recommendation Schemes (SRS) are one way institutions make early offers of undergraduate admission to Year 12 students. They do this by using criteria other than (or in addition to) the ATAR.

WHO CAN APPLY?

To apply for SRS you must be a Year 12 applicant who is attempting:

- an Australian Year 12 qualification in 2023, or
- an International Baccalaureate in Australia in 2023.

You must also be a UAC applicant for undergraduate admission in 2023–24 and:

- an Australian or New Zealand citizen, or
- a permanent resident of Australia or holder of an Australian permanent resident humanitarian visa.

APPLICATION CRITERIA

Using your school's ratings of your aptitudes (including your capacity for tertiary study), the University of Canberra (UC) Schools Recommendation Scheme allows Year 12 students, who meet the requirements below, to receive early offers of undergraduate admission.

Selection criteria

UC will take into account school ratings (aptitudes only).

Courses available

SRS is not available for all courses. To check availability, please check the course tables on pages 24–35, or refer to our website for updated lists of UC SRS-eligible courses canberra.edu.au/future-students/get-into-uc/admissions-programs/schools-recommendation-scheme

Minimum ATAR/selection rank

None.

Course prerequisites/additional course selection criteria

None.

APTITUDES

Schools will be required to rate students according to their assessment of a student's:

- capacity for abstract thought and analysis
- ability to organise ideas and articulate a position orally and in written form
- ability to work and learn independently
- motivation to achieve long-term goals
- capacity for tertiary study.

ASSESSMENT OF SRS APPLICATIONS

The University of Canberra Schools Recommendation Scheme does not guarantee entry. The University will set rating requirements for each course on the SRS list, which students must meet in order to be eligible to receive an offer. Many courses also have limited availability for SRS applicants.

UC'S EARLY OFFER ROUND

1800 864 226 | study@canberra.edu.au | canberra.edu.au/future-students/apply-to-uc/early-offer-round

How does it work?

To be eligible for the August Early Offer Round, students must be a current Year 12 student enrolled in a school located in the ACT or NSW and intending to go to university. For example, if a student is studying a tertiary package in the ACT, pursuing the HSC leading to an ATAR in NSW, or are undertaking the International Baccalaureate (IB), they can apply for admission to the University of Canberra in advance of receiving their ATAR results, which will instead be based on their Year 11 results and a personal statement. Students applying through the August Early Offer round are not excluded from submitting applications for the main UAC offer rounds based on their ATAR.

When applying for the August Early Offer Round, students' achieved results from the relevant Year 11 subjects will be assessed by UC. 'Relevant subjects' are 'T' or 'H' subjects in the ACT, specific HSC subjects that are used for the ATAR calculation [N1] in NSW, and subjects undertaken in Year 11 through the International Baccalaureate (IB) which are used to calculate your ATAR.

An overall percentage of at least 60%* or a Grade Point Average of at least 3/5 in Year 11 is required to be considered for admission through the August Early Offer Round. Students will also need to achieve an overall percentage or Grade Point Average in Year 11 that matches the selection rank of their preferred UC degree, as outlined in the table below.

UC COURSE SELECTION RANK	YEAR 11 OVERALL MINIMUM %	YEAR 11 GPA 5 SCALE	YEAR 11 GPA 5 SCALE
60–69	60%*	3/5	4/7
70–79	70%	3.5/5	5/7
80+	80%	4/5	6/7

Who is eligible?

To be eligible to apply for the August Early Offer Round at UC, students must be:

- intending to go to university, which can be demonstrated by undertaking a tertiary package in the ACT or pursuing the HSC leading to an ATAR in NSW, or undertaking the International Baccalaureate (IB)
- enrolled in a school in the ACT or NSW.

FAST FORWARD PROGRAM

02 6201 2338 | student.recruitment@canberra.edu.au | canberra.edu.au/fastforward

UC's Fast Forward Program is an exclusive club for 25 stand-out students to prepare for university life with a boost. It's perfect for those who go the extra mile both inside and outside of school, who are actively involved in their studies and their community either through sporting clubs, volunteering or similar activities.

This early entry scheme where conditional offers are available from their Year 11 studies, Fast Forward Participants receive benefits like the 8 Early Access Sessions; Unconditional offers in July of their Y12; a 2k study grant available in first year at UC; a UC Welcome Pack including a customised FFP Hoodie. Applicants are assessed on their commitment to community through leadership roles, sporting, musical and/or academic excellence. Students are required to be within a 3 hour drive of Canberra, maintain a 70% GPA and provide evidence of their extracurriculars to apply.

Students apply in their Year 11 to participate in the program across their Year 12 studies and continue to receive benefits in their first year of studies at UC."
