

Study Tour

MIDWIFERY AND
NURSING IN INDONESIA

Winter Term 2025

ABOUT THE PROGRAM

Join the 2025 International Maternal and Child Health Study Tour to Indonesia! The tour will involve interprofessional and international practical learning opportunities in and around Yogyakarta. Learn from expert health professionals working in mother and family care in areas from community birth centres and primary health facilities to international hospitals. Collaborate with Indonesian health students on solving real world health problems.

Program Dates

~~Program dates~~ Winter Term 2025 (exact dates TBC)

DESTINATIONS

Yogyakarta

The tour takes place in and around Yogyakarta (“Jogja”), where you’ll participate in cultural and recreational activities, collaborate with STIKES Akbidyo and STIKES Bethesda students, and visit NGOs, hospitals, and health centers, along with some free time for exploration.

HIGHLIGHTS

Visit healthcare centers

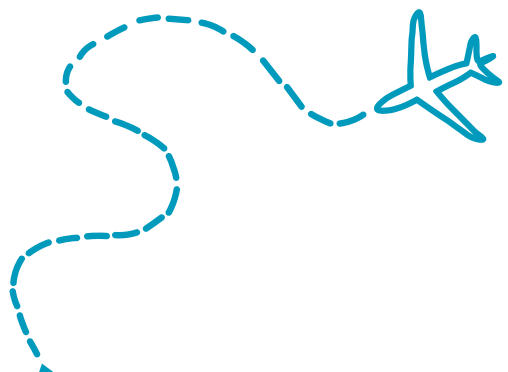

Collaborate with Indonesian peers

Lectures from experts in their fields

Cultural and Recreational activities
