NUTRITION & PUBLIC HEALTH IN SOUTH INDIA STUDY TOUR

5 June - 24 June 2024

Join the Faculty of Health on a three-week adventure to the South of India! Receive \$3,000 to fund the trip!

Are you ready to work on life-changing projects and experience health promotion from a fresh cultural perspective? Then join the 2024 “Understanding Culturally Safe Approaches to Address Gaps in Maternal Nutrition Amongst First Nations Communities in South India Study Tour”! This tour offers a special chance to team up with top-notch researchers to learn the social and political factors that affect the health of women from Indigenous communities in South India. Dive deep into the world of nutrition, dietetics, and public health to learn how to make a difference. Immerse yourself in the colourful tapestry of Bengaluru, India’s tech hub, filled with lush parks and buzzing nightlife. You’ll also explore Mysuru, a treasure trove of heritage sites and majestic palaces like the famous Mysore Palace.

Join us in India in Winter Term 2024 — [Apply now.](#)
