CHANCELLOR'S CHARGE

PROFESSOR TOM CALMA AO

On behalf of the University of Canberra, I wish to offer you my warmest congratulations on the conferral of your award. The University community commends you for the perseverance, dedication and efforts that underpin your achievements.

On this special occasion, I encourage you to take time to reflect on the importance of this celebration. This ceremony publicly and proudly recognises your successes and your contributions to the broader community. Your graduation is an opportunity to consider both the significance of your studies and the possibilities ahead of you. The conferral of your award acknowledges this shift in perspective and your transition from student to member of the University's alumni.

It is my pleasure to welcome you into this elite and acclaimed group: the University of Canberra alumni. Our graduates have made a genuine and enduring impact globally over the last half century and I have every confidence that as our newest members, you will continue in this tradition of success.

The University of Canberra was established with the intent to inspire greatness. In 1968, the Right Honourable Sir John Gorton unveiled the then Canberra College of Advanced Education's (CCAЕ) Foundation Stone. The CCAЕ would later become the University of Canberra.

In his speech that day, Sir John invited his audience to not simply aspire to greatness, but also to prepare for, practice for and make ready for their own successes. In his words,

“

If we are to reach for the stars, then we must reach for them with trained minds and skilled hands.

”

In you, I see this intent embodied. Your minds and hands are ready. I request that you celebrate today. Once all of the testamurs have been awarded and congratulations made, I charge you to reach further, to become greater, to inspire success in others, and to ready yourself for the trials and triumphs of your future. In doing so, you will continue to make the University of Canberra proud.

On behalf of the University of Canberra's governing body, I congratulate you, your families and your friends on your achievements so far. I wish you the very best for the future.

Professor Tom Calma AO
Chancellor
University of Canberra

OFFICIAL WELCOME

PROFESSOR PADDY NIXON

Dear Graduate

Congratulations! You have reached the culmination of your current studies at the University of Canberra and I am delighted to celebrate this milestone moment — one which recognises your achievements and is a testament to your passion and dedication.

You are a member of the class of 2022 — what an achievement! The past few years have been like nothing we have ever seen, and COVID-19 continues to affect us all in some way, and leave its effects on our community of students, staff and families. Do know that it does not change your moment of celebration as a graduate or the time you have enjoyed as a student at UC, nor must it impact the bright future you have before you.

I know that your time at UC will have been full of new friendships and new experiences. My hope is that it has been a source of inspiration for your future. I also hope you continue to be inspired in every part of your life, whether it be work, family, serving your community or further study.

You are a graduate of Australia's capital university. Our identity is Canberra-based, yet far reaching through our global research, business connections, alumni networks and partnerships. The University of Canberra exists to serve the community, and through it, the nation, and the world.

We celebrate our diverse community, one which is enriched by you — our students and alumni. You come from many cultural backgrounds from both Australia and abroad, including our Aboriginal and Torres Strait Islander students. Wherever you call home, our entire UC team hopes your experience here has been enhanced by the people you met and the memories you made.

I extend to you my sincerest congratulations on the conferral of your award and I am proud to welcome you to our distinguished 95,000+ strong alumni network. We are here for you should you wish to return as part of your journey through professional development and lifelong learning opportunities. Always know that you are part of the University of Canberra.

Professor Paddy Nixon
FRSA, FBCS, FRSN
*Vice-Chancellor and President
University of Canberra*

OUR COMMUNITY

Whilst the University of Canberra was established within the boundaries of the Australian Capital Territory, our community extends across the world.

A key part of our mission is to create a truly global university. We seek to achieve this through:

- the diversity of our student and staff body,
- setting up exchange and study abroad opportunities,
- our commitment to research that benefits broader society,
- strong connections with our alumni, and
- forging valuable relationships with other institutions.

We are committed to providing a transformative tertiary education directly to our local communities and in partnership with other institutions to students around Australia and internationally.

Our students can be found at campuses in Melbourne, Brisbane, Sydney, Bhutan, China, India, Singapore, and Vietnam. These students, staff and their supporting communities are an invaluable part of our identity. The University of Canberra is diverse but we are all united by our shared experience; ours is truly a global community.

Our students study all over the world,
including at two locations in Queensland.

OUR TRADITIONS

GRADUATE GOWNS

Today's academic dress developed from the clothing worn by the monks in medieval times. The monks and pupils taking instruction wore habits or long gowns with a cowl (a hood and elbow-length cape), both indoors and outdoors, for extra warmth. Later, tonsured monks wore skull caps, probably for the same reason. At Oxford and Cambridge, in the time of King Henry VIII, statutes prescribed what style of academic dress could be worn. The rules were strictly enforced. Materials and colours to be used for hoods to denote levels of scholarship were laid down, and later, colours for hood and gown trimmings were used to indicate particular branches of learning.

Associate Degree (2 year)

Degree of Bachelor (3 and 3.5 year)

Degree of Bachelor (4 year)

Black hood with maroon lining

Academic dress for the University of Canberra draws on these traditions. Graduands undertaking Bachelors and Masters degrees wear a black cloth academic gown, black trencher and hood. The dress for a degree of Doctor is a royal blue gown with gold facings and a black bonnet. The level of award is distinguished by the colours of the hood linings, rather than by colours for different branches of learning. This carries on the tradition established by CCAE.

In completing your studies, you have earned the right to wear these ceremonial robes.

CEREMONIAL UNIVERSITY OF CANBERRA GOWNS

The gowns of the Chancellor and Vice Chancellor celebrate Canberra. They feature the floral emblem of the Australian Capital Territory, the Royal Bluebell (*Wahlenbergia Gloriosa*), on a decorative braid. Embroidery on the braid showcases the natural, deep-blue shades of the Royal Bluebell flower, which grows in the high forests and woodlands of the ACT, south-eastern NSW, and eastern Victoria, and its dark-green stems and leaves. The braid was designed by Ms Judith Rosenberg from sketches by Dr Dianne Firth, a University of Canberra staff member, and made by Dr Sharon Peoples, a respected local textiles artist. Both gowns are traditional black. The Chancellor's gown has gold trimmings and the Vice Chancellor's is trimmed with silver.

The Chair of Academic Board and Division Marshals wear black gowns with bands of deep-blue embroidered braid and a hood lined in deep-blue. Council members wear an adaptation of the former CCAE's purple ceremonial gown, as a salute to our history.

GOWNS IN THE ACADEMIC PROCESSION

The academic procession for each ceremony, led by the Chancellor, includes many of the academic staff of the University, including lecturers and tutors. The procession is rich with different styles and colours of academic gowns from institutions across the world. The regalia worn by each member of the procession signifies where each person studied for their highest level of qualification, and which degree was conferred.

SYMBOLS OF THE UNIVERSITY

The authority of the University of Canberra to confer degrees is embodied in several ceremonial and symbolic artefacts. You will be familiar with the C-Star, as it appears on many University publications, but the other symbols — the Chair, the Mace, and the Staff — are rarely seen outside graduation ceremonies.

The Star

Our emblem, the C-Star, was designed with the CCAE's original purpose in mind, which was to provide education in the five fields of science, technology, art, administration, and commerce. These five broad areas are embodied in the five interlocking "C's". The C-Star represents Canberra, the interdisciplinary nature of our courses, and the essential character of each field of endeavour. In 1969, the CCAE Council commissioned the design from Derek Wrigley.

Chancellor's Chair

The Chancellor's Chair was a gift from the Australian National University, marking the inauguration of the University of Canberra in 1990. This ceremonial item was crafted at the Canberra Institute of the Arts. The chair's back proudly bears the University's emblem, the C-Star. Traditionally, only the Chancellor or their representative may be seated on this chair. This ceremonial item marks the solemnity of our Graduation Ceremonies and represents our emergence as a global educational institution. It provides a link between our past success as CCAE, the recognition by our peers of our achievements, and our continued success as the University of Canberra.

Mace

The Mace is carried by the Secretary of Council. The Mace was presented to the University by the ACT Government in 1991, as a symbol of institutional authority. Traditionally the Mace is carried as a ceremonial weapon designed to protect the Chancellor, the University, its people, and its processes. Like the Chancellor's Chair, it was crafted at the Canberra Institute of the Arts.

Processional Staff

The Processional Staff is carried by the Chair of Academic Board. The Staff, like the Mace, is a traditional ceremonial symbol of authority. Ours was presented to the University by its Association of Academic Staff. It is made of wood from a local Casuarina tree and embellished with silver. It was crafted at the Canberra Institute of the Arts to harmonise with the Mace. The jarrah stand on which the staff rests was crafted and donated in 2012 by former University of Canberra staff member, Peter Hill.
