CHANCELLOR'S CHARGE

PROFESSOR TOM CALMA AO

On behalf of the University of Canberra, I wish to offer you my warmest congratulations on the conferral of your award. The University community commends you for the perseverance, dedication and efforts that underpin your achievements.

On this special occasion, I encourage you to take time to reflect on the importance of this celebration. This ceremony publicly and proudly recognises your successes and your contributions to the broader community. Your graduation is an opportunity to consider both the significance of your studies and the possibilities ahead of you. The conferral of your award acknowledges this shift in perspective and your transition from student to alumni.

It is my pleasure to welcome you into this elite and acclaimed group; the University of Canberra alumni. Our graduates have made a genuine and enduring impact globally over the last half century and as our newest members, I have every confidence that you will continue in this tradition of success.

The University of Canberra was established with the intent to inspire greatness. In 1968, the honourable Sir John Gorton unveiled the then Canberra College of Advanced Education's (CCAEE) Foundation Stone. The CCAEE would later become the University of Canberra.

In his speech that day, Sir John invited his audience to not simply aspire to greatness, but also to prepare for, practice for and make ready for their own successes. In his words,

“

If we are to reach for the stars, then we must reach for them with trained minds and skilled hands.

”

In you, I see this intent embodied. Your minds and hands are ready. I request that you celebrate today. Once all of the testamurs have been awarded and congratulations made, I charge you to reach further, to become greater, to inspire success in others and to ready yourself for the trials and triumphs of your future. In doing so, you will continue to make the University of Canberra proud.

On behalf of the University of Canberra's governing body, I congratulate you, your families and friends on your achievements so far. I wish you the very best for the future.

Professor Tom Calma AO
Chancellor
University of Canberra

OFFICIAL WELCOME

PROFESSOR PADDY NIXON

Dear Graduate,

Congratulations! You have reached the culmination of your current studies at the University of Canberra and I am delighted to celebrate this milestone moment – one which recognises your achievements and is a testament to your passion and dedication.

You are a member of the class of 2020 — a year none of us will forget. I am sincerely sorry that the graduation ceremonies could not proceed this year due to COVID-19 safety restrictions, and that I cannot congratulate you in person as your award is conferred. There will be opportunities to celebrate the happiness of your graduation however, and we will be delighted to welcome you back if you wish to attend a ceremony in 2021.

The impact of COVID-19 may have changed the course of your graduation and your final year of study, but it does not change the years you have enjoyed at UC, nor must it impact the bright future you have before you.

I know that your time at UC will have been full of new friendships and new experiences. My hope is that it has been a source of inspiration for your future. I also hope you continue to be inspired in every part of your life, whether it be work, family, serving your community or further study.

You are a graduate of Australia's capital university. As the university in, of, for and from Canberra and the capital region, the University of Canberra exists to serve the community, and through it, the nation and the world.

We celebrate our diverse community, one which is enriched by you — our students and alumni. You come from many cultural backgrounds from both Australia and abroad, including our Aboriginal and Torres Strait Islander students. Wherever you call home, our entire UC team hopes your experience here has been enhanced by the people you met and the memories you made.

I extend to you my sincerest congratulations on the conferral on your award and I am proud to welcome you to our distinguished 90,000 strong alumni network.

Always know that you are part of the University of Canberra.

Professor Paddy Nixon
FRSA FBCS

*Vice-Chancellor and President
University of Canberra*

OUR COMMUNITY

Whilst the University of Canberra was established within the boundaries of the Australian Capital Territory, our community extends across the world.

A key part of our mission is to create a truly global university. We seek to achieve this through:

- the diversity of our student and staff body
- setting up exchange and study abroad opportunities
- our commitment to research that benefits broader society
- strong connections with our alumni, and
- forging valuable relationships with other institutions.

We are committed to providing a transformative tertiary education directly to our local communities and in partnership with other institutions to students around Australia and internationally.

Our students can be found at campuses in Melbourne, Queensland, Sydney, Singapore, Bhutan, China and Hong Kong. These students, staff and their supporting communities are an invaluable part of our identity. The University of Canberra is diverse but we are all united by our shared experience; ours is truly a global community.

Our students study all over the world,
including at two locations in Queensland.

OUR TRADITIONS

GRADUATE GOWNS

Today's academic dress developed from the clothing worn by the monks in medieval times. The monks and pupils taking instruction wore habits or long gowns with a cowl (a hood and elbow-length cape), both indoors and outdoors, for extra warmth. Later, tonsured monks probably wore skull caps for the same reason.

At Oxford and Cambridge in the time of King Henry VIII statutes prescribed what style of academic dress could be worn, and the rules were strictly enforced. Materials and colours to be used for hoods to denote levels of scholarship were laid down, and later, colours for hood and gown trimmings to indicate particular branches of learning came into use.

Diploma (3 year)

Associate Degree (2 year)

Black hood with green lining

Degree of Bachelor (3 and 3.5 year)

Black hood with red lining

Degree of Bachelor (4 year)

Black hood with maroon lining

Academic dress for the University consists of a black cloth academic gown, black trencher and hood. The dress for a degree of Doctor is a royal blue gown with gold facings and a black bonnet. The level of award is distinguished by the colours of the hood linings, rather than by colours for different branches of learning. This carries on the tradition established by CCAE.

Doctor of Philosophy

CEREMONIAL GOWNS

The gowns of the Chancellor and Vice-Chancellor seek to celebrate Canberra. These gowns feature the floral emblem of the Australian Capital Territory, the Royal Bluebell or *Wahlenbergia Gloriosa*, on a decorative braid. The embroidery showcases the natural, deep-blue shades of the Royal Bluebell with dark green stems and leaves. Both gowns are the traditional black; the Chancellor's gown features gold trimmings and the Vice-Chancellor can be distinguished by silver trimmings.

The design for the braid was developed locally by Ms Judith Rosenberg from sketches by Dr Dianne Firth, a University of Canberra staff member. The braid was made by a local craftsperson, Ms Sharon Peoples. The Royal Bluebell is found in the high forests and woodlands (above 1,300 metres) of the ACT, south-eastern NSW and eastern Victoria.

The Chair of Academic Board and Division Marshals wear black gowns with bands of deep blue embroidered braid, and a hood lined in deep blue. Council members now wear an adaptation of the former CCAE's purple gowns, as a salute to our history.

ACADEMIC PROCESSION GOWNS

The Academic Procession is rich with different styles and colours of academic gowns.

Members wear regalia that represents their highest level of qualification, from the institution through which this study was undertaken.

THE UNIVERSITY STAR

Our emblem, the C-Star, is derived from the CCAE's original purpose, which was to provide education in the five fields of science, technology, art, administration and commerce. These five broad areas are embodied through the five interlocking "C's". The C-Star represents Canberra and the interdisciplinary nature of our courses and also the essential character of each field of endeavour. It was designed in 1969 by Derek Wrigley, on commission by the CCAE Council.

THE CHANCELLOR'S CHAIR

The Chancellor's chair was a gift from the Australian National University, marking the inauguration of the University of Canberra in 1990. This ceremonial item was crafted at the Canberra Institute of the Arts. The chair's back proudly bears the University's emblem, the C-Star.

Traditionally, only the Chancellor or their representative may be seated on this chair. This ceremonial item marks the solemnity of our Graduation Ceremonies and represents our emergence as a global educational institution. It provides a link between our past success as CCAE, the recognition of our achievements from our peers and our continued success as the University of Canberra.

MACE

The Mace is carried by the Secretary of Council. The Mace was presented by the ACT Government in 1991, as a symbol of institutional authority. Traditionally the Mace is carried as a ceremonial weapon designed to protect the Chancellor, the University, its people and its processes. It was also crafted at the Canberra Institute of the Arts.

PROCESSIONAL STAFF

The Processional Staff is carried by the Chair of Academic Board. It was presented to the University by its Association of Academic Staff. It was made of wood from a local Casuarina tree and embellished with silver, and was crafted at the Canberra Institute of the Arts to harmonise with the Mace. The jarrah stand on which the staff rests was crafted and donated in 2012 by former University of Canberra staff member, Peter Hill.

ACKNOWLEDGMENT OF CULTURES

We recognise and respect the unique cultures and contributions that Aboriginal and Torres Strait Islander peoples bring to our community. We acknowledge the cultures of our Aboriginal and Torres Strait Islander graduates during ceremonies through an optional ceremonial stole which incorporates the colours of the respective flags.
