OUR COMMUNITY

Whilst the University of Canberra was established within the boundaries of the Australian Capital Territory, our community extends across the world.

A key part of our mission is to create a truly global university. We seek to achieve this through:

- the diversity of our student and staff body,
- setting up exchange and study abroad opportunities,
- our commitment to research that benefits broader society,
- strong connections with our alumni, and
- forging valuable relationships with other institutions.

We are committed to providing a transformative tertiary education directly to our local communities and in partnership with other institutions to students around Australia and internationally.

Our students can be found at campuses in Canberra, Brisbane, Sydney, Bhutan, China, India, Singapore, Vietnam and online. These students, staff and their supporting communities are an invaluable part of our identity. The University of Canberra is diverse but we are all united by our shared experience; ours is truly a global community.

OUR TRADITIONS

GRADUATE GOWNS

Today's academic dress developed from the clothing worn by the monks in medieval times. The monks and pupils taking instruction wore habits or long gowns with a cowl (a hood and elbow-length cape), both indoors and outdoors, for extra warmth. Later, tonsured monks wore skull caps, probably for the same reason. At Oxford and Cambridge, in the time of King Henry VIII, statutes prescribed what style of academic dress could be worn. The rules were strictly enforced. Materials and colours to be used for hoods to denote levels of scholarship were laid down, and later, colours for hood and gown trimmings were used to indicate particular branches of learning.

Degree of Bachelor (3 and 3.5 year)

Degree of Bachelor (4 year)

Black hood with maroon lining

Academic dress for the University of Canberra draws on these traditions. Graduands undertaking Bachelors and Masters degrees wear a black cloth academic gown, black trencher and hood. The dress for a degree of Doctor is a royal blue gown with gold facings and a black bonnet. The level of award is distinguished by the colours of the hood linings, rather than by colours for different branches of learning. This carries on the tradition established by the Canberra College of Advanced Education (CCAЕ).

In completing your studies, you have earned the right to wear these ceremonial robes.

CEREMONIAL UNIVERSITY OF CANBERRA GOWNS

The gowns of the Chancellor and Vice Chancellor celebrate Canberra. They feature the floral emblem of the Australian Capital Territory, the Royal Bluebell (*Wahlenbergia Gloriosa*), on a decorative braid. Embroidery on the braid showcases the natural, deep-blue shades of the Royal Bluebell flower, which grows in the high forests and woodlands of the ACT, south-eastern NSW, and eastern Victoria, and its dark-green stems and leaves. The braid was designed by Ms Judith Rosenberg from sketches by Dr Dianne Firth, a University of Canberra staff member, and made by Dr Sharon Peoples, a respected local textiles artist. Both gowns are traditional black. The Chancellor's gown has gold trimmings and the Vice Chancellor's is trimmed with silver.

The Chair of Academic Board and Division Marshals wear black gowns with bands of deep-blue embroidered braid and a hood lined in deep-blue. Council members wear an adaptation of the former CCAE's purple ceremonial gown, as a salute to our history.

GOWNS IN THE ACADEMIC PROCESSION

The academic procession for each ceremony, led by the Chancellor, includes many of the academic staff of the University, including lecturers and tutors. The procession is rich with different styles and colours of academic gowns from institutions across the world. The regalia worn by each member of the procession signifies where each person studied for their highest level of qualification, and which degree was conferred.

SYMBOLS OF THE UNIVERSITY

The authority of the University of Canberra to confer degrees is embodied in several ceremonial and symbolic artefacts. You will be familiar with the C-Star, as it appears on many University publications, but the other symbols – the Chair, the Mace, and the Staff – are rarely seen outside graduation ceremonies.

The Star

Our emblem, the C-Star, was designed with the CCAE's original purpose in mind, which was to provide education in the five fields of science, technology, art, administration, and commerce. These five broad areas are embodied in the five interlocking "C's". The C-Star represents Canberra, the interdisciplinary nature of our courses, and the essential character of each field of endeavour. In 1969, the CCAE Council commissioned the design from Derek Wrigley.

Chancellor's Chair

The Chancellor's Chair was a gift from the Australian National University, marking the inauguration of the University of Canberra in 1990. This ceremonial item was crafted at the Canberra Institute of the Arts. The chair's back proudly bears the University's emblem, the C-Star. Traditionally, only the Chancellor or their representative may be seated on this chair. This ceremonial item marks the solemnity of our Graduation Ceremonies and represents our emergence as a global educational institution. It provides a link between our past success as CCAE, the recognition by our peers of our achievements, and our continued success as the University of Canberra.

Mace

The Mace is carried by the Secretary of Council. The Mace was presented to the University by the ACT Government in 1991, as a symbol of institutional authority. Traditionally the Mace is carried as a ceremonial weapon designed to protect the Chancellor, the University, its people, and its processes. Like the Chancellor's Chair, it was crafted at the Canberra Institute of the Arts.

Processional Staff

The Processional Staff is carried by the Chair of Academic Board. The Staff, like the Mace, is a traditional ceremonial symbol of authority. Ours was presented to the University by its Association of Academic Staff. It is made of wood from a local Casuarina tree and embellished with silver. It was crafted at the Canberra Institute of the Arts to harmonise with the Mace. The jarrah stand on which the staff rests was crafted and donated in 2012 by former University of Canberra staff member, Peter Hill.
