INTERNATIONAL BUSINESS STUDY TOUR IN BHUTAN

25 May 2025 - 23 June 2025

JOIN A ONCE-IN-A-LIFETIME OPPORTUNITY IN THE STUNNING COUNTRY OF BHUTAN WITH THE FACULTY OF BUSINESS, GOVERNMENT AND LAW THIS WINTER TERM!

Get ready for a unique adventure to discover the secrets of Bhutan's sustainable development! Visit the world's last Shangrila in Bhutan, a country at the foot of the Himalaya where economic development is not measured by GDP, but by Gross National Happiness (GNH). The Country's unique development philosophy of GNH, which encompasses the four pillars of sustainable and equitable socioeconomic development, preservation and promotion of culture, conservation and sustainable utilisation and management of the environment, and promotion of good governance provide a unique opportunity for BGL students to study a country known for promoting sustainable development.

Geographic isolation and restricted tourism limit opportunities to visit Bhutan. Join us on a journey that will transform the way you look at sustainable development. You'll gain unparalleled insights into the Bhutanese way of life, form new connections, and dive deep into the cultural nuances that drive government policies and business practices.

Pack your bags, and let's go explore Bhutan!
