

Early Offer Scheme – A step-by-step guide

International applicants

1. Select a course

Scroll to the ‘**Start your application**’ section at the end of the [Early Offer webpage](#) to browse the undergraduate courses which are included in the Early Offer Scheme. You can filter these courses based on Faculty. Once you have selected your course, click on the International ‘Apply Now’ link.

2. Register an account

You’ll then be redirected to the University of Canberra’s online application portal. From here, you will need to register an account. If you have already registered an account, you can simply login.

When registering your account, **please ensure that you are using your personal email address** rather than your school email. Otherwise, you will not receive emails from us once your school email address is made inactive.

Welcome to The University of Canberra's online application portal

Registered users can use this portal to apply for University of Canberra (UC) undergraduate, postgraduate, and pathway coursework courses. There is no application fee for submitting an online application.

- **Current Year 12 students** are strongly encouraged to apply via the Universities Admissions Centre (UAC) to fully utilise a number of admission schemes and benefits.
- Non-current UC students must apply via UAC for the **Bachelor of Physiotherapy** (current students apply direct).
- All domestic applications for the **Master of Clinical Psychology** must be submitted via UAC.

Applications for Research Courses

Applications for research courses **MUST** be submitted through our Research Portal. Further information can be found [here](#).

Agents

Registered UC agents should submit applications through UC's [Agent Portal](#).
