

Clea Rose Travel Award

Conditions of Award

Purpose of the Scholarship

This Scholarship aims to encourage undergraduate students to complete part of their degree overseas.

Scholarship Details

The Scholarship is known as the Clea Rose Travel Award (CRTA) and it is funded by the Donors: Ross Dunn OAM; Frances Rose OAM; and Zoe Rose, supported by occasional generous donations.

About Clea Rose

29 January 1984 -20 August 2005

Clea Rose was a 21-year-old University of Canberra student in the third year of her Tourism Management degree in 2005.

Clea spent the first semester of 2005 on a study abroad program at Colorado State University, USA, which was accredited as part of her UC degree studies.

During her time at Colorado State Clea was an ambassador for this University, for Canberra and for Australia. She made many friends and participated fully in new opportunities that opened for her in Colorado, the USA and around the world as a result of studying abroad.

Clea died soon after returning to Canberra. She was hit by a car driven at high speed through a pedestrian precinct in Civic, late at night, when many young people were gathered. The car had been stolen, and the driver was fleeing a police chase.

Clea's death touched the hearts of the ACT community, particularly our students and staff.

The University awarded Clea her Bachelor of Tourism Management degree posthumously.

The Clea Rose Travel Award is an enduring memorial to Clea's energetic, adventurous and loving spirit, and encouraging other students to live life to the full.
