About this course

Nurture the next generation from birth to Year Six

The University of Canberra leads the way in providing up-to-date education degrees that prepare teachers for a future focused career. Our course is carefully structured with a balance between theory and practice in teaching. If your interest lies in teaching early childhood, pre-school and/or primary school then our Bachelor of Education (Option 1) is the perfect course for you.

Study a Bachelor of Education at UC and you will:

- acquire appropriate scientific, literacy and numeracy knowledge
- learn the theories and principles that are the foundation for educational practice in primary and early childhood settings
- demonstrate understanding of different student needs and the relevance of these to learning in inclusive, indigenous,

EALD and mainstream settings

- plan and develop appropriate teaching activities for students from a diverse range of backgrounds
- develop and implement effective assessment strategies and carry out evaluation of teaching programs, resources and your own teaching
- apply the requisite content knowledge for all primary school curriculum areas to teaching, assessment and reporting methods, alternate/enhanced literacy and numeracy strategies and the effective use of ICT in teaching and learning
- reflect on your practice and experiences and engage in a process of continual improvement.

Work integrated learning

Throughout the course you will complete a series of theoretical education units grouped with professional experience placements. This practical experience spans different levels of primary education, containing 80 days of professional placement that culminates in a 30 day teaching placement during your final year.

Career opportunities

Students who have completed this degree and the Diploma of Early Childhood Education and Care will be qualified to teach from Birth to Grade Six. After teaching professionally for 4 years you will have the chance to boost your qualification with a Master of Educational Studies or Master of Education.

Course specific information

You will be required to complete appropriate police checks or sign employment declaration forms before your professional experience placement. If you enrol in the 4-year Bachelor of Education course and find it's not for you, you can exit with a Bachelor of Educational Studies after 3 years.

Professional accreditation

This course is registered by the ACT Teacher Quality Institute and recognised as a teaching qualification throughout Australia.

Admission requirements

Normal UC admission requirements to an undergraduate course.

Additional admission requirements

All students are required to complete appropriate police checks or sign employment declaration forms prior to the commencement of their Professional Experience placement.

Assumed knowledge

ACT: English & Maths (T with C minimum pass) NSW: Higher School Certificate English & Maths minimum Band 4 Units within the Major in the Key Learning Areas bridge these requirements.

Periods course is open for new admissions

This course is not open for new admissions.

Credit arrangements

There are currently no formal credit transfer arrangements for entry to this course. Any previous study or work experience will only be considered as part of the application process in accordance with current [course rules and university policy](#).
