## About this course

### Double degree: Know the media and how it works

The University of Canberra is uniquely placed to launch you into the professional fields of public affairs and political communication.

The heart of Australia's political landscape is the ideal location to understand the complex relationships between media, government and society.

This double degree will boost your international perspective and prepare you for a critical and analytical understanding of the world.

## Combine a Bachelor of Arts in International Studies with a Bachelor of Communications in Media and Public Affairs at UC

to:

- understand the dynamic interactions between media, government, the public and society, in both national and international contexts
- explore in-depth global public communications with a national perspective
- interact with political and media institutions in the nation's capital
- gain critical understanding of international media and the dissemination of information
- acquire the skills needed to work in a contemporary media environment anywhere in the world
- gain in-depth knowledge of cultural diversity and socio-economic changes within the context of globalization
- develop high-level oral and written communication skills and learn to appreciate the power of visual forms of communication think critically, analytically and ethically.

## Study opportunities

UC's strategic location in the national capital is to your professional advantage. Our campus is close to national institutions, including federal parliament and the parliamentary press gallery, offering you specialised learning and internship opportunities.

## Career opportunities

Discover exciting work across many fields of media such as newspapers and magazines; radio and television; online and start-up ventures.

Our graduates also often find specialist work in Canberra with government departments and agencies in media liaison, publication information and publication officer roles.

## Professional accreditation

None.

# Admission requirements

Normal UC admission requirements to an undergraduate course.

## Additional admission requirements
