About this course

Double degree: raising the bar in elite sport

Take a leading role in the development of sport in Australia. Add a management qualification to your sport science skill set for enriched career opportunities in the world of elite sport.

Advance your capacity to coach professionals and direct sporting industry operations at the highest levels in the country.

Combine a Bachelor of Sport and Exercise Science with a Bachelor of Sports Management at UC to:

- develop your career at Australia's epicentre for elite sports
- leverage our relationships with sporting industry bodies and elite sporting teams based at our campus to prepare your career foundations
- access state of the art facilities
- learn from highly qualified coaches and athletes.

Study opportunities

- Fast track your career and finish 2 degrees in 4 years.
- Options for membership with Exercise and Sport Science Australia (ESSA).
- Unique internship opportunities with NRL, Super Rugby, W-League and WNBL teams.

Career opportunities

After four years you will be sought after by professional and government run sporting organisations at all levels. Huge employment possibilities include:

- Program Coordinator
- High Performance Manager
- Coaching Director
- Development Officers

Important to know

Due to its structure, you must complete all four years of this course to graduate with a double degree or a single degree in one discipline (Sport Coaching and Exercise Science or Sports Management).

The University of Canberra is committed to building a strong and sustainable Aboriginal and Torres Strait Islander sporting industry. If you are an Aboriginal and Torres Strait Islander person looking to study this course, please contact Rachel Harrigan, Faculty of Health General Manager, (02) 6201 2608.
