About this course

Make it your business to know what's going on

If the idea of one day developing the knowledge and skills to confidently navigate complex global business environments excites you, then UC's Graduate Certificate in Business is the perfect next step from which to launch your international business career.

This highly flexible course will help you develop exceptional business decision-making skills covering a diverse range of management subjects including business and management, decision making, political and legal frameworks, and the management of people.

This course has been specifically designed to prepare you for a range of business management positions in both the government and private sectors by teaching you the business skills to be able to adapt seamlessly to any business environment.

Make it your business to know all things business from the ground up with a respected qualification from UC.

Study a Graduate Certificate in Business at UC and you will:

- critically evaluate a range of core and contemporary concepts and theories of organisations and their management
- analyse and synthesise information and be able to critique and effectively communicate in a business and management context
- apply concepts, theories, and experience to business problems and propose sustainable solutions demonstrating initiative, creativity and social responsibility
- gain insight into the management of people and leadership development
- learn to communicate professionally and proficiently to a wide demographic
- gain high level industry contacts and networking opportunities
- have the experience and skills to confidently advance into a variety of career paths, including senior management positions.

Work Integrated Learning (WIL)

WIL is an integral part of the UC journey and you are encouraged to actively attend and participate in relevant placements, workshops, conferences and events where you will have the opportunity to engage with both internal and external stakeholders at all levels.

This approach gives you an invaluable opportunity to meet and build strong networking relationships with industry professionals and greatly improves your employability after graduation.

Career opportunities

A UC Graduate Certificate in Business is a highly flexible qualification that adds value to a comprehensive range of executive positions all over the world such as:

- general manager
- business owner
- CEO
- analyst
- management consultant
- entrepreneur
- arts administrator
- council representative
- business administration manager
- project manager
- program manager
