About this course

Combine your passion for business through leadership

Our Bachelor of Applied Entrepreneurship (Online) is specifically designed for students with the enthusiasm and ambition to either start their own venture, or further develop one they are already associated with. You'll gain a broad foundation of business skills tailored to the needs of entrepreneurs and business leaders who have a desire to create a better future. Through the delivery of unique learning experiences, students will be prepared to be an outstanding future business leader.

Study a Bachelor of Entrepreneurship (Online) at UC and you will:

- gain an in-depth understanding of the theories and dynamics of entrepreneurship
- develop skills to identify, analyse and solve entrepreneurial challenges within new and established organisations
- understand market dynamics, trends and opportunities that can be utilised for further business development
- explore the unique challenges that come with the development of new ventures or start-ups
- develop a broad and coherent knowledge of the environmental, social and financial impacts of business decisions.

Work Integrated Learning

Throughout the duration of this course, you will work your way through a unique learning experience that includes tailored learning activities, and unique and exclusive video content from a range of global leaders to assist you in the development of detailed and strategic business plans.

Career opportunities

- Entrepreneur
- Social Entrepreneur
- Venture Capital Analyst
- Marketing Managers
- Executive Managers
