About this course

Be part of sports history in the making

With digital technology making sports media more accessible than ever, there's no better time for you to tell the stories of sporting achievement. Our Bachelor of Sports Media will arm you with a range of skills and knowledge that will form the bedrock for your successful career in sports. This course will train you to become a working professional in print, radio, television and online journalism.

Study a Bachelor of Sports Media at UC and you will:

- learn the essential skills of a professional sports journalist
- understand the moral and ethical implications of sports coverage
- gain a stronger awareness of the many delivery platforms
- experience regular and critical practice in sports reporting.
- gain a clear insight into media practice across a range of professional and amateur sports
- develop a working knowledge and appreciation of the skills that achieve excellence in sports coverage.

Work-integrated learning

All students are encouraged to apply for numerous sports internships with our professional sports partners in NRL, Super Rugby, W-League and WNBL. Completing an internship is an invaluable opportunity to gain practical experience and form strong relationships within industry before graduating.

Career opportunities

- professional and community sports organisations
- newspapers
- magazines
- radio
- television
- online

Course specific information

High performing students may be eligible for enrolment in the Bachelor of Sport Studies (Honours).

Professional accreditation

None.

Admission requirements

Normal UC requirements for admission to an undergraduate course.

Assumed knowledge

ACT: History major. NSW: Modern or Ancient History. Students completing Year 12 would be best prepared by emphasising courses in English composition and literature, history, art, media, psychology, public speaking and social sciences, including economics and graphics. Students need a keen interest in local, regional, national and international news and current affairs.

Periods course is open for new admissions

This course is not open for new admissions.
