## About this course

This course is for undergraduates who seek to combine a law degree with a professional management qualification in order to enhance their attractiveness to employers. The course is fully accredited as a basis for admission to practice law in Australia. The degree has a focus upon corporate and commercial law, with minors in other areas to cater for student preferences. The Teaching Program is enhanced by research strengths with student opportunities to be involved in UC's National Centre for Corporate Law, the National Institute of Governance and e-Justice and Court of the Future Networks. Opportunities exist for law internships and international study through linkages with Law firms, governments and overseas universities. Small class sizes are combined with highly qualified staff and state-of-the-art facilities, including on-campus and remote access to all major online legal databases. Graduates from the course have a record of outstanding employment opportunities and high starting salaries. The Bachelor of Management is designed for those who are making, or who plan to make, their careers in management in the business, public and non-governmental sectors. It is suitable both for those who

have recently completed secondary studies and for those with some work experience. The course combines conceptual understanding and a practical orientation in Management, with majors in Government and Politics and Management, Governance and Policy. The single degree of Bachelor of Management may be taken out when 72 credit points have been attained and the requirements of the degree met.

## Professional accreditation

This program is recognised by the Supreme Court of the Australian Capital Territory and the State of New South Wales. Through mutual recognition, UC's degree may serve as the basis for admission in all Australian jurisdictions.

Through a program offered in conjunction with the College of Law, students may (in their final year of the Bachelor of Laws at UC) begin their Graduate Diploma in Legal Practice course that qualifies for them for admission. Arrangements exist for students to articulate into programs leading to admission in the UK and the United States.

## Honours

The degree of Bachelor of Laws may be awarded with first or second class honours. Requirements are specified in the Determination of Course Particulars for the Bachelor of Laws.

(i) To be eligible to undertake studies at honours level, a student must achieve at least a credit average in all law units undertaken at the University of Canberra, this being determined by averaging their scores in all eligible subjects.

Eligible Units: Eligible Units are those which count towards the Entry GPA and Honours GPA. Eligible Units are:

- Any Law unit done which counts towards your LLB (i.e., not the subjects going only towards the non-law degree if you are enrolled in a double degree. If you are enrolled in a straight LLB, your open electives are not counted).
- This includes Units for which you receive Advanced Standing, whether done at UC or elsewhere.

- Where you have done extra subjects which may count, e.g. more than the required amount of law electives, your best results will be counted.

(ii) Law Honours has 12 credit points of research-related units. These are made up of:

- Legal Methods and Skills (3cp)
- Advanced Legal Research and Writing (Honours) (3cp)
- Law Honours (6cp)

(iii) The degree of Bachelor of Laws may be awarded with first or second class honours. Following submission of an Honours thesis as part of the unit Law Honours, students must show a Good performance by receiving a minimum of a Credit in the 6 credit point restricted choice unit Law Honours.

Calculating the final class of honours:

Law degrees with Honours are awarded in the following classes depending on the Honours GPA obtained and the standard of the Honours Thesis.

First Class: Showing an exceptional performance by both an Honours GPA of at least 6 and a mark of 80 and above in the honours component of your assessment

Second Class - Division I: Showing a Very Good performance by both an Honours GPA of at least 5.5 and a mark of 73 and above in the honours component of your assessment

Second Class - Division II: Showing a Good performance by both an Honours GPA of at least 5 and a mark of 65 and above in the Honours component of your assessment

Calculating the Honours GPA

GPA's are calculated by using the University's system. The Unit Law Honours will be weighted as 30% for the purposes of calculating the Honours GPA. Units used in the Honours GPA are as described in [Eligible units](#) above for entry to the Honours component of the course.

Note that marks are not automatically rounded up for purposes of Honours. Thus 4.99 does not become 5.00. Where your final mark is within two marks of the next level of honours, or of achieving honours at all (e.g. a 4.8 is rounded up to 5.0), you can apply in writing to have your honours result upgraded. This will be determined by the Law Program Manager and the Law Honours Unit Convener, taking into account your academic record and any mitigating circumstances which may have affected your academic performance.
