## About this course

The combined Masters degrees in Public Administration and in Management provide broadly-based skills for those intending to develop a career in management in the public, private or not-for-profit sectors. The Master of Public Administration course is designed for graduates who wish to deepen their knowledge in the area of public administration to develop the capabilities of those seeking to be top-level managers in the public sector, in particular. The course also emphasises a strategic approach to management to equip managers with the skills and insights required to manage change in the increasingly complex public sector. The Master of Management course is designed to provide managers and those who will become managers with the necessary skills to be effective in the rapidly changing context of work and organisations. The course allows for a solid theoretical and professional foundation in strategically managing human and physical resources plus the flexibility to construct an elective program around particular interests.
