About this course

Studying the Graduate Diploma in Communication will support you to build your professional practice as an emerging leader in the communications industry. As well as developing advanced skills based on current best practice models of modern communications, you will engage in work integrated learning projects which will link you with industry leaders. This will give you unique and valuable opportunities to transmit your knowledge, skills and ideas to help solve real-world problems. Progression from this course to the Master of Communication is available by enrolling in additional units.

Professional accreditation

None.

Admission requirements

Applicants must have an undergraduate degree (AQF level 7) or equivalent as approved by the University Admissions Committee.

Students who have completed the Graduate Certificate in Communication (UC) will receive credit for the 4 Graduate Certificate (level G) units.

In making an offer to an applicant, the University will give consideration to a range of factors including English proficiency, academic record and/or employment experience.

Assumed knowledge

None.

Periods course is open for new admissions

This course is not open for new admissions.

Credit arrangements

There are currently no formal credit transfer arrangements for entry to this course. Any previous study or work experience will only be considered as part of the application process in accordance with current [course rules](#) and [university policy](#).
