# About this course

## Hit the ground running

Studying the Graduate Diploma in Communication will support you to build your professional practice as an emerging leader in the communications industry. In developing advanced skills based on current best practice models of modern communication, you will explore current trends in communication practice, digital data analysis and visualisation and strategic and risk communication, and will have flexibility to choose elective units that match your aspirations and interests.

## Study the Graduate Diploma in Communication at UC and you will:

- Master digital data analytics and visualisation
- Contextualise the role of innovation in the media environment
- Understand campaigns seeking to effect behaviour change

## Work Integrated Learning (WIL)

Enjoy an immersive online learning experience where you'll be connected with an inspiring cohort of teachers and industry experts who will share their own experiences and mentor you through your learning.

## Career opportunities

- Public Relations Specialist
- Investigative Journalist
- Strategic Communications Manager
- Media Advsier
- Social Media Manager
- Technical Writer
- Corporate Affairs Director

## Course-specific information

Credit is available into the Master of Communication upon successful completion of the Graduate Diploma of Communication.

# Admission requirements

Applicants must have an undergraduate degree (AQF level 7) or equivalent.

Students who have completed the Graduate Certificate in Communication (UC) or the Graduate Certificate in Communication (Engagement) may apply and receive credit for 12 credit points (4 units) of their completed study.

In making an offer to an applicant, the University will give consideration to a range of factors including English proficiency, academic record and/or employment experience.

## Assumed knowledge

None.

## Periods course is open for new admissions
