## About this course

The Graduate Certificate in Human Resource Management is designed to equip you for positions requiring a broad understanding of human resources and its essential role within your organisation. It is designed for people who are working in an HR area and want to complement their practical knowledge with a foundational knowledge base, or those contemplating a career in human resource management. The course provides you with knowledge in contemporary issues in human resource management and provides a foundational pathway to ongoing education in human resource management.

## Admission requirements

Applicants must have an undergraduate degree or equivalent as approved by the University.
