About this course

This program is designed for students who may have an overseas accounting qualification and are required to undertake a number of 8 units (24cp) to meet the requirements of the award. Students entering this award must have their qualifications assessed by either CPA Australia or Chartered Accountants of Australia and New Zealand to identify the unit set required to meet accreditation requirements. As an individual award, the Graduate Diploma in Accounting does not meet accreditation requirements for the accounting professional bodies.

Professional accreditation

The individual units in this award meet specific subject requirements for the professional accounting bodies in Australia, but the course does not satisfy all the accreditation requirements for the accounting professional bodies.

Admission requirements

Applicants must have an undergraduate degree or equivalent as approved by the University.

Additional admission requirements

Students who have completed an undergraduate degree with a major in accounting with an Australian institution are ineligible for entry to the course.

As an exit award, students must be enrolled in the Master of Professional Accounting and must have completed a minimum of 24 credit points to be eligible for the Graduate Diploma in Accounting.

Assumed knowledge

None.

Periods course is open for new admissions

This course is not open for new admissions.

Credit arrangements

There are currently no formal credit transfer arrangements for entry to this course. Any previous study or work experience will only be considered as part of the application process in accordance with current [course rules and university policy](#).
