About this course

UC's online Master of Business Administration (MBA) is designed for professionals seeking career progression into executive leadership roles across the government, corporate and not-for-profit sectors. Grounded in Canberra's unique position as the seat of government and a hub for professional services, policy and advocacy, this is the ultimate postgraduate business degree designed to prepare leaders to navigate complex challenges in dynamic environments. UC's wholly online MBA provides a multi-sector perspective, giving you the skills and strategic insight to lead transformational change. Whether you're looking to transition into senior leadership (including SES), expand your expertise in government business operations or apply corporate strategies to purpose-driven organisations, you'll gain the practical knowledge that can be immediately applied to your career.

Admission requirements

Applicants must have:

- an Australian Bachelor qualification or equivalent, in a related field, OR
- an Australian Bachelor qualification in an unrelated field AND three years' relevant work experience, OR,
- an Australian Graduate Certificate (AQF 8) in any field (or higher)

Assumed knowledge

None.
