

International Internship: Singapore

BACKGROUND

Discover futuristic skyscrapers, have breakfast with Orangutans or wander through the Gardens by the Bay in the ever-wondrous city of Singapore.

A metropolis with a vibrant history, Singapore is rapidly leading the way for the modern world. Explore their extensive art scene, visit ancient temples or let your inner foodie run wild with amazing street food. A unique hub of culture, history and innovation creates a recipe for inspiration.

With a choice of industries, Singapore offers internship opportunities in: graphic design, landscape design, communications, industrial design, events and business, sports management and sports science.

Partnerships have been developed with many Singaporean businesses and NGO's.

PROGRAM HIGHLIGHTS

- Cultural field trips
- Individualised internships at well recognised partners
- Gain a global experience to boost graduate employability skills
- The program will include a local academic mentor supervisor from our partner Singaporean University

APPLICATION PROCESS

- 1) Email wil@canberra.edu.au for application pack.
- 2) Apply via this link: <http://bit.ly/IntInternSing>
- 3) Once your initial application is approved you will be contacted for a consultation
- 4) Successful students will be accepted into the program and a placement will be found for you based on your consultation meeting.
