During Winter Term 2022, PALS will be running sessions from week 1 both Online and face-to-face for Biomechanics 1, Understanding People and Behaviour (UPB), Regional Anatomy & Physiology (RAP), and Chemical Foundations. Face-to-face sessions will be only held on specific dates, please refer to the timetable. Please come to as much of the session as you can and feel free to join as many sessions a week as you like. The more sessions a student attends the higher their likelihood of success in the unit. If you have any questions, please email the PALS Coordinator at: PALS@canberra.edu.au
