

1st International Conference on
Radioanalytical and Nuclear Chemistry

April 10-16, 2016 / Budapest, Hungary

**The Journal of Radioanalytical and Nuclear Chemistry (JRNC)
is pleased to invite you to**

**1st International Conference on Radioanalytical and
Nuclear Chemistry (RANC-2016)**

to be held in Budapest, Hungary between 10-16 April, 2016.

Confirmed Plenary Speakers

Dr. Richard B. Firestone

Leader of Isotopes Project, Nuclear Science
Division, Lawrence Berkeley National
Laboratory, Berkeley, CA, USA

Prof. A.V.R. Reddy

Head of Analytical Chemistry Division, Bhabha
Atomic Research Centre, Trombay, Mumbai,
India

Prof. Andreas Türler

Head of the Laboratory Radionuclide
Development, Paul Scherrer Institute,
Villingen, Switzerland

Prof. Siegfried Niese

Former professor at University Dresden and
at Research Institute for Nuclear Research
in Rossendorf; the famous author of the
biography of György Hevesy.

Topics of RANC-2016

- * Analytical methods and detection techniques
- * Environment
- * Effects of radiation, radiation chemistry
- * Radiolabeled compounds and
radiopharmaceuticals
- * Actinide chemistry, super-heavy elements
- * Nuclear industry

Topics *(Continued)*

- * Separation, speciation
- * Radionuclides
- * Instrumentation and methodology

Registration & Abstract submission

Registration and submission is open at

<http://www.jrnc-ranc.com>

Abstract submission deadline:

October 01, 2015

Earl-bird registration deadline :l

December 01, 2015

For more information please contact:

ranc@akcongress.com

Organizing Committee

Chairman

Dr. Zsolt RÉVAY

Editor-in-Chief / JRNC

Technische Universität München, Germany

Co-chairs

Prof. Amare CHATT

Editor / JRNC

Dalhousie University, Canada

Dr. Tibor G. KOCSOR

Associate Editor / JRNC

Akadémiai Kiadó, Hungary
