### 1. PURPOSE:

1.1. This document sets out the University's procedures regarding the contents, production and issuance of academic certification including testamurs, transcripts and graduation statements.

### 2. SCOPE:

2.1. This procedure covers all University of Canberra awards within the Australian Qualifications Framework (AQF), and academic certification provided to students in respect of those awards and the courses leading to those awards.

2.2. The document also covers academic certification issued to students who complete one or more units, which may lead to an AQF qualification, without completing the award, honorary degrees and collaborative testamurs.

### 3. PROCEDURE:

#### *Introduction*

3.1. Testamurs, AHEGS and academic transcripts are prepared under the authority of the Director, Student Connect by designated staff in Student Connect.

3.2. The production and format of testamurs, AHEGS and academic transcripts for students enrolled in joint courses leading to joint awards with third party providers must adhere to the requirements detailed in the *Joint Award Courses Policy and Procedures*.

3.3. The Director, Student Connect will ensure that all 'academic requirements' for the qualifications have been completed and that a student does not have any debt to the University before certifying a student is eligible to receive a testamur and AHEGS.

3.4. The student's name appearing on the testamur, AHEGS and academic transcript will be the full

name recorded in the student management system without any titles or abbreviations.

### *Testamurs*

- 3.5. Testamurs will contain the following information:
  - a. University name and logo (and, where applicable, third party provider name and logo);
  - b. the name of the graduate who is entitled to receive the AQF qualification;
  - c. the qualification by its full title;
  - d. date of the award or its date of conferral; and
  - e. where applicable, the honours classification awarded.
- 3.6. The testamur may include supplementary information to the award where approved by Council;

  - a. one testamur for a single qualification;
  - b. two testamurs for a double qualification or combined qualification (one for each accredited award);
  - c. one testamur for a joint qualification.
- 3.8. Testamurs will be printed on approved parchment with the University seal and will be signed by the Chancellor and the Vice-Chancellor. The signatures will appear in facsimile form on all testamurs except where the Chancellor and Vice-Chancellor elect to hand-sign for certain types of testamurs (such as for awards *honoris causa*).

### *Collaborative testamurs*

- 3.9. Collaborative testamurs may be issued following the agreement between UC and another education provider at the commencement or development of a course.
- 3.10. A collaborative testamur may reflect the collaborative arrangement of the provision of a degree but does not have to represent a joint award. Joint awards are the representation of a joint course which leads to a joint award (*Joint Award Courses Policy and Procedures*).
- 3.11. A collaborative testamur must only represent an award in the name of one institution but can present the logo and signature of the relevant third party provider Vice-Chancellor (or equivalent).
