In developing this procedure the University had regard to the provisions of section 40B(1)(b) of the Human Rights Act 2004 (ACT).

1. PURPOSE:

1.1. This Procedure states the requirements and processes for the supervision, academic progress monitoring, and marking of a bachelor honours degree Thesis.

2. SCOPE:

2.1. This Procedure applies to:

2.1.1. a Coursework Unit (unit) that includes a Major Research Component;

2.1.2. a student admitted to a bachelor honours degree and enrolled in a unit that includes a Major Research Component;

2.1.3. a staff member of the University that has a role or responsibility under this procedure;
and

2.1.4. an Affiliate of the University that has a role or responsibility under this Procedure.

3. PROCEDURE:

3.1. A faculty must have at least one honours convener.

3.2. A student can only be admitted into a bachelor honours degree if there are sufficient resources available.

3.3. Appointment of a supervisor

3.3.1. One or more academic staff must supervise a student undertaking a bachelor honours degree.

3.3.2. Academic supervisors are appointed by the honours convenor.

3.3.3. Academic supervisors will be appointed as either a:

- 3.3.3.1. principal honours supervisor, or
- 3.3.3.2. secondary honours supervisor.
- 3.3.4. Sessional academic staff must only be appointed as a supervisor if there are no academic staff available who are:
 - 3.3.4.1. employed as continuing or continuing contingent, or
 - 3.3.4.2. on a fixed-term contract.
- 3.3.5. If an academic supervisor is on a fixed-term contract, the fixed-term contract must cover the duration of the Major Research Component of the course.
- 3.3.6. An industry supervisor may be appointed as a secondary supervisor if the Research undertaken is in partnership with an industry partner.
- 3.3.7. If an industry supervisor is appointed, the appointment must cover the duration of the Major Research Component of the course.
- 3.3.8. An industry supervisor is appointed by the honours convener.
- 3.3.9. An academic supervisor will:
 - 3.3.9.1. have a minimum qualification at least one level higher than the associated course or equivalent relevant professional experience and expertise relevant to the Research;
