

Centre for Sustainable Communities Visiting Scholars Research Showcase

International Perspectives on Education for Sustainable Communities

Join us for the first seminar of the year where four international visiting scholars discuss how their work about self-regulated learning, health and physical education, and rural education supports education for sustainable communities.

PRESENTERS:

Associate Professor Kevin Andrew Richards
University of Illinois at Urbana-Champaign
Illinois, United States

Bernadette van Berk
Leibniz Institute for Research and Information in Education
Frankfurt, Germany

Antonia Fischer
Leibniz Institute for Research and Information in Education
Frankfurt, Germany

Professor Dipane Hlalele
University of KwaZulu-Natal
Durban, South Africa

22nd February

University of Canberra | Room 7B13
Lunch at 12:30pm followed by a hybrid
seminar from 1:00pm-2:30pm.

Please RSVP for lunch and the on-campus
event to CSC-admin@canberra.edu.au
