canberra.edu.au**

*Note any dietary requirements for
catering purposes please.*

THE FOLLOWING PAPERS WILL BE PRESENTED.

Prof Bob Lingard (University of Queensland)

The OECD's Expanding Education Work and Epistemological and Infrastructural Governance.

Dr Jenny Chesters (University of Canberra)

Overcoming or exacerbating disadvantage: Parental education, pathways through senior secondary college and post-school outcomes in the ACT.

Dr Misty Kirby (University of Canberra)

The Goulburn Strings Project's Journey From Idea to First Year Pilot.

Prof Moosung Lee (University of Canberra)

How Good Are Our Schools? Issues in Measuring and Comparing the Outcomes of Schooling Systems.

The colloquium will be followed from 6.30pm by a buffet dinner and opportunities for discussions between the presenters, participants from local schools, government agencies and UC colleagues.

We very much look forward to your attendance.
