

# HDR INTERNSHIP SCHOLARSHIP

Drive innovation. Broaden industry networks. Elevate your research impact.

## Ready to take your research beyond the university?

A research internship lets you build real-world skills, boost your research impact, and connect with industry.

The new **UC HDR Internship Scholarship** helps support doctoral candidates in completing an unpaid internship with an industry partner during their candidature.

Who can apply?	Internship requirements
<p>You're eligible if you:</p> <ul style="list-style-type: none"><li>✓ are enrolled in a UC doctoral program</li><li>✓ have achieved Confirmation of Candidature</li><li>✓ haven't received internship funding before</li><li>✓ aren't being paid by the industry partner for your research</li><li>✓ don't hold an industry-funded PhD scholarship or project with an embedded internship</li></ul> <p>Both domestic and international candidates (full-time or part-time) can apply.</p>	<p>Your internship must:</p> <ul style="list-style-type: none"><li>✓ have a written agreement with an eligible industry partner within your first 18 months of your enrolment</li><li>✓ involve R&amp;D activities related to your research</li><li>✓ be a minimum of at least 3 months and a total of at least 60 days (FTE) of engagement</li></ul> <p>Your internship can be completed on-site, online, remote, in Australia or overseas.</p>

## Scholarship value

The HDR Internship Scholarship will be **approximately \$10,000** – the total value is an equivalent of 90 candidature days of the UC RTP/HDR stipend scholarship rate.
