RUN DRAGON FACT!

Up until the end of 2018, Jones was combined with Blackland into the old 'house' of 2019, Jones and Blackland were referred to as Ben, Ben and Will were all part of it transferred in 2019 to be the founding members of Jones. Bonus why they're years in the making for them! A few other year 12s were also founding members.

2023 YEAR 12

There's a lot more Jones year 12s than just the captains, so let's quickly introduce you to a few of the other leadership groups!

Sports and Duty Captains

Phoebe Hopkins and Saadman Ahmad are the Jones sports captains for 2023. They're the people you will hear from about swimming, cross country and athletics carnivals, as well as some Captain's cup events.

The duty captain is Jamie Rjevegaard. For those in years 10-12, Jamie will be the one sending out the duty roster. Jamie is also responsible for creating cleaning schedules if the locker room is not looking so nice...

Music Captains

Thank Giovanni, Min, Pransav and Mikhael David for the...

Jones Buddy Booklet

Bianca (Bee) Handel

Inspiration and purpose

I created my 'buddy booklet' at the end of year 11 as I stepped into my role as Jones House Captain. As one of the first girls to join CGS when the school went co-ed, I was incredibly overwhelmed; CGS has a lot of traditions and heritage that is very hard to grasp when you first join, especially about the role of houses. This booklet was designed to mitigate this overwhelm for new students joining Jones in 2023. It was given to the new students at the beginning to the idea, and included a range of essential information that they could continually reference.

Design process

The first step in me producing the booklet was talking with my two vice captains, as well as the year 7s I was mentoring in year 11, to get an idea of what information they felt was important to include. Following this, I produced a list, and began allocating pages.

The final booklet was produced in Adobe InDesign and Canva. My main goals were that the booklet would be easy to navigate, with colour coding, sectioned information and images to help make it navigable. A house themes colour scheme was also important!
