ABOUT BIDGEE CAFE

THE MURRUMBIDGEE CAFE STORY

About Us

At Bidgee Cafe, we believe that coffee should be more than just a drink. It's an experience – one that brings people together and creates lasting connections.

Our journey began over a decade ago, when our founder, Sarah, discovered her passion for coffee while exploring the bustling cafes of Europe. She was captivated by the rich aromas and flavors, as well as the warm and welcoming atmosphere.

Inspired by this experience, Sarah returned home to Australia and set out on a mission to share her love of coffee with others. She started Bidgee Cafe as a small coffee cart, serving up fresh brews to busy commuters and passersby.

Today, Bidgee Cafe has grown into a thriving business, with multiple locations across the country. Despite our growth, we remain true to our roots, and our commitment to quality, service, and community.

We source only the finest beans from around the world, and roast them in small batches to ensure maximum flavor and freshness. We also work closely with local farmers and producers to source the highest quality ingredients for our food menu.

But what truly sets us apart is our team. Every member of the Bidgee Cafe family is passionate about coffee, and dedicated to providing the best possible experience for our customers. From our expert
