

TUGGERS [DIS]RESPECT

"I love most of the rivers around Canberra, but Pine Island is utter scunge. Broken glass and rubbish littered all over the picnic area, the bank, and in the river. If you want to step on a needle, this is the place for you. If you actually want to enjoy yourself go to Angle Crossing or the Cotter." Timmci92, Tripadvisor, 2017

"The thing about the Tuggeranong Valley that I found, is that it went from 'nappy valley', to being sort of 'battlers' valley', then 'forgotten valley'..." Patricia Clarke, ABC News, 2019

"Fill the Valley with cement, grind it flat and start over." Shenko-wolf, Reddit, 2023

"Dammit I hate Tuggeranong. Let's redraw the boundaries of the ACT/NSW and get rid of it." Mystery Man, The Riot Act, 2012

"Good ol lake tuggs - wash your hands in there and [end] up with some extra fingers". Mortjonesowns, Reddit, 2019

"...if there really was once a jolly swagman looking to camp by a billabong, I can assure he would have not have chosen this one. The grotesque smell from the water is only occasionally briefly masked by litre on litre of lard stench exuding from the surround fast food stores, which actually provides a pleasant break from the bong scented smoke wafting from various areas around the college." FriendlyGehrigsAdvocatePerson, Tripadvisor, 2019

"The number of empty ACTION buses coming into Tuggers needs to be doubled so more fresh air can be imported and released." Dungfungus, RiotAct, 2016

"Tuggeranong has its own lake?" i_have_an_account, Reddit, 2018

"The Southside hoods, hope you weren't mugged for your phone while taking the photo". TK79, Reddit, 2018

"There is a reason the south side population is shrinking and why the north has exploded and that reason is, Nappy valley has all grown up and their babies have run off to get drugs and do stabbing of their own." Loves-pineapple-P, Reddit, 2022

"Pretty rubbish mall, with some 'interesting' clientele. Always a good sign to arrive to someone being put into the back of a divvy van... Really sets the tone." Fro H., Tripadvisor, 2015

Tuggeranong going downhill. "Bro that's always been Tuggeranong? Slapping some wanky apartments in the town centre doesn't change the surrounding suburbs. Wanna buy ice? Isabella. Wanna get stabbed? Bonython. Wanna get robbed? Both." Pointysword12, Reddit, 2022
